Our vision at First Presbyterian Church of Edmond is to bring “New life, through Jesus, to Edmond and the world.” This happens through living out our 7 Core Practices individually, as part of smaller groups and together as a congregation. Project 10:45 provides us with opportunities to live out these core practices, particularly, “Serve Community,” “Invest in People,” and “Create and Send Leaders.”

The Project 10:45 name is inspired by Mark 10:45, which states “For even the Son of Man did not come to be served, but to serve, and to give His life as a ransom for man”. Joining our hands, feet, and hearts with Christ in service to others allows us to more fully utilize the gifts He has blessed us with.

At First Presbyterian Church of Edmond, the Holy Spirit sends us into the world to go, love, and serve the community, just as Jesus practiced in his own earthly ministry. As we obey God’s call, we bless others, which brings joy to us all as we experience God’s presence in new ways. This is how Project 10:45 came to be.

Within this booklet, you’ll find a wide range of opportunities to serve the community and glorify God with your time and unique talents. As you do, you will find yourself filled with the Holy Spirit, transformed, and filled with new life!

Each mission opportunity is outlined in a format that briefly explains the individual mission goals, a service opportunity overview, and specific volunteer requirements. Once you locate the mission that speaks to you, contact Sharon Boecking, the FPCE Volunteer Coordinator, and she will come alongside you to guide you through the volunteer process with your chosen mission(s).

This booklet will be updated and expanded as new mission opportunities arise.

A digital format is also available at fpcedmond.org/serve

ORGANIZATION

Anna's House Foundation

MISSION

Anna's House Foundation is a faith-based organization whose mission is to provide immediate, stable and loving homes for Oklahoma County's children in state custody. AHF desires to offer a future of hope and faith to foster children and foster families by providing housing, support, training, and resources in a Christian community setting.

WAYS TO SERVE

- Volunteer at Edmond/OKC Support Group: Support Group is critical for foster families as they come together for prayer and support. We go outside on the playground, eat dinner together, and just have fun! We average around 30 kids at support group on the third Tuesday of every month from 6:30pm - 8pm at Quail Springs Baptist Church. This is great for families as your own children are invited to come! 2019 Dates: August 20th, September 17th, October 15th. Background Check + Volunteer Application Required.
- Make Foster Families a Meal: In the comfort of your own home, make a casserole + dessert for an Anna's House Foster family in your area! No background check / volunteer application required.
- Volunteer at Holiday Events: With Thanksgiving and Christmas in the Fall, we have multiple capacities your family or group can participate in! For Thanksgiving, we put together Thanksgiving Food Baskets for all of our foster families and volunteers deliver it to their door on November 21st and 22nd. Come volunteer at Quail Springs Baptist Church for our Christmas Party on December 7th from 3 - 5pm! We bless our families with gifts and activities to kick off the Holiday Season! No background check + volunteer application required.
- Do you have an extra bedroom and room in your heart? With 8,000 children in foster care in the state of Oklahoma, we desperately need more loving, Christian families to become foster parents. You have the opportunity to make a direct impact in the life of a child who needs you.

Jesus House

Today's Jesus House is more than a shelter, it is a hub of community support which helps the homeless, hungry and poverty-stricken of Oklahoma City. Jesus House is an inner-city, non-denominational Christian outreach to the homeless, near homeless, addicted, and mentally ill. We serve Oklahoma City's needy with integrity and in a manner that exemplifies our commitment to the love of Jesus Christ and biblical principles of stewardship.

WAYS TO SERVE

From financial contributions and the donation of used clothing and furniture, to volunteer programs that are centered around service, love and relationship-building. We're also seeking involvement from churches, businesses, families and school groups that want to come and directly serve homeless and low income people in our community through the Love Thy Neighbor Street Ministry. Volunteer groups will need to provide their own table, chairs and supplies. Suggestions for handouts: hygiene packs, socks, can openers, cupcakes, sandwiches, hot dogs, soda, bottled water, clothes, shoes, sleeping bags, combs, sunscreen, candy, underwear, coats, and blankets. No Boundaries International

MISSION

We respond to God's call by meeting basic needs and providing inner healing, medical care, and discipleship to those in the midst of devastation.

We restore, train, and deploy the Body of Christ into areas of devastation. Devastation should not have lifetime effects, so we cross any border to bring the Good News to communities.

WAYS TO SERVE

No One Dies Alone

No One Dies Alone

A Ministry to the Dying

MISSION

Through the efforts of volunteers, No One Dies Alone provides a reassuring presence to dying patients who would otherwise be alone. With the support of both the nursing staff and case management, the vigil keepers offer patients the most valuable of human gifts: a dignified death.

PROGRAM FOCUS

To provide healing and compassionate care to those who find themselves alone in the final hours of their lives.

Principles:

- It's about "being rather than doing... about compassionate presence"
- To be a non-anxious presence and truly compassionate with another.

VOLUNTEER BASED PROGRAM

Participation is open to anyone. All volunteers must undergo a preliminary interview. External volunteers must participate in our normal volunteer orientation requirements.

REFERRALS

No One Dies Alone is for Mercy patients who are expected to die within 48 to 72 hours and have no family or friends locally or have no family involved or present. It is expected that most referrals will originate from the nursing staff, chaplains, case managers and the staff ethicist. This program is not intended to provide respite care for family members.

VOLUNTEER INFO

All volunteers must attend a comprehensive training program prior to participating in the program. Training will focus on patient confidentiality, safety and the role and responsibility of a vigil keeper.

Positive Tomorrows

MISSION

Educating homeless children and their families to break the cycle of poverty.

As Oklahoma's only elementary school specifically for homeless children, we give kids stability and a quality education while their parents get the support they need to create a better life. For over 25 years, we have filled our scrapbooks with countless success stories, but the need continues. Together we can break the cycle of homelessness and poverty.

WAYS TO SERVE

Whether it's mentoring, helping in our Afterschool Program, planning birthday parties, or being a chaperone on a field trip, volunteers give us the vital support we need to help our students and their families. We give away a lot of things to our families – school supplies, clothing, personal care items, and many other items. Most supplies are donated, which allows us to use funding for teachers' pay and to keep the lights on.

Most importantly, we build relationships with our clients, listen to their needs, and ask for the privilege of praying with them.
