Christians being persecuted – Laos: Phu and Sri married young and lived with Phu's parents. After the birth of their child, Sri became ill, asked God for healing and He granted it. In time, both Phu and Sri became Christians. When Phu's mother heard of their conversions, she beat Sri severely and kicked the family out of the house. Pray for this couple and others who face terrible persecution because they love Jesus. Pray for those who are bent on destroying the Body of Christ.
