### A message from Dale & Cheryl Hiemstra:

We want to express our heartfelt thanks to our community of believers who have been keeping our families in their prayers. Thank you to the staff for their prayers and to Pastor Mark for his many calls. We are humbled at all of the outpouring of your support and encouragement since the day of the accident and the passing of James and Natalie. We praise and thank God for all the miracles He has already done and will continue to do. We ask for continued prayers for complete healing for both Brooke and Hendrik. The next milestone is that Brooke is being discharged from the Shirley Ryan Rehabilitation. On April 28 she will transition to being home with Hendrik and Christopher. Outpatient therapy will continue there. Hendrik is now 6 months old and rolling around everywhere. Specific prayers for God's peace and healing hand with the new adjustments and continued progress at home.
