

TELL A FRIEND!

Did you know?

- » You can write your child letters.
- » You can pray for them.
- » You can even send them fun gifts like toys and books.
- » They love to hear from you and it's even more exciting when you hear back from them!

Sponsorship is a relationship that builds you both up—and helps an entire community lift themselves out of poverty!

Plus, it helps kids and their families make their own lives better—so they have things like clean water, food, school, and more.

When you tell your friends about how awesome sponsorship is, they can help even more kids have better lives!

Food, water, medicine, and more—child sponsorship helps kids soar!
