## Preparing For The Rapture

**M**ost of you are aware there is probably no more controversial topic in the church today than this idea we call the rapture. In view of these present times as so many prophetic signs are indicting today, I feel led to share some things to help prepare your hearts before the Lord.

**Amos 3:7," Surely the Lord God will do nothing, but he revealeth his secret unto his servants the prophets."**

Our Lord has a solid history of giving his servants, watchmen and the prophets messages to help prepare the people for what would take place way before it would happen.

I have personally received several life changing prophecies from the Lord that have come to pass and some that I am still waiting and preparing for. If I ever seem to start to veer off the particular narrow path the Lord has me on, He appears to send another prophet to remind me of what the Lord has called me to do.

Now when you preach and teach on such things like divine healing and miracles, signs and wonders, and the rapture it is often not something mainstream Christianity seems to want to hear about. However, the Lord Jesus/Yeshua preached and taught about these things and requires His disciples to do likewise. The Lord Jesus said to go make disciples, meaning we are to do as Jesus did, preach the whole Gospel, heal the sick and cast out demons in the authority of His almighty name. In fact the Lord says, if we only would understand with our hearts and be truly converted He will heal us.

**Matthew 13:15," For this people's heart is waxed gross, and *their* ears are dull of hearing, and their eyes they have**

**closed; lest at any time they should see with *their* eyes, and hear with *their* ears, and should understand with *their* heart, and should be converted, and I should heal them."**

As we speak, neuroscientists are researching to the point where they are mapping out the entire human brain. Scientists are estimating that the brain contains nearly 100 billion neurons, with each of those neurons making tens of thousands of contacts with other cells in your body. The number of connections made would be into the quadrillions, or a million billion. Though scientists have now found evidence of neuroanatomical differences in people suffering from such things like schizophrenia and behavioural disorders, such links remain controversial as they attempt to go in and fix the wiring as it were.

If scientists can get into fixing the wiring and heal people of various diseases by altering their thought connections what are the chances someone would use that ability for nefarious purposes? After all we live in a fallen world for now.

If you want to know how something like a machine works, it is often helpful to take a look at working on the inside. Opening it up and looking at how it's all wired together etc. Reverse engineering the human brain is probably one of the greatest scientific challenges of our day, and scientists are combining new techniques in microscopy, neurobiology and computing to try and reveal the brain's inner mechanisms in unprecedented detail. Mind you they shall have to also examine the soul and spirit. The soul and the spirit are the two primary immaterial parts that the Holy Scripture ascribes to humanity. The soul and the spirit are certainly connected, but also separable.

**Hebrews 4:12," For the word of God is quick, and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart.<sup>13</sup> Neither is there any creature that is not manifest in his sight: but all things are naked and opened unto the eyes of him with whom we have to do."**

The soul is the essence of humanity's being; it is who we are. The spirit is the immaterial part of humanity that connects with God.

Speaking of the brain as a machine is a likely metaphor for numerous scientists who have been trained with a delusional Darwinian perspective. Many scientist therefore view the brain as an electrochemical computer, operating on electrical impulses and chemical signals sent between cells. Although the individual pieces may be small, on the scale of mere nanometers, drawing the wiring diagram for this machinery is now theoretically possible, almost in the way it has been drawn out with what we consider lesser life forms like worms etc. Keeping in mind God almighty is a divine creator.

In the opposite direction scientists, like astrophysicist have probed deep into the heart of the Cosmos. Like studying the effects of exploding stars, trying to detect the molecular beginnings of any new cosmic bodies forming within it, whilst Scientist at CERN continue working on sending and receiving things from other dimensions. Scientist have mapped the neurons in our brains as scientist with maps of the stars are working on controlling the traffic of asteroids in the skies.

Please understand that I am in no way attempting to set any date for the Rapture, however the way things are unfolding today prophetically speaking this begs the questions, how different would you live your life if you knew you only had a short time left this side of Heaven? How much more compassionate and caring would you be if you knew you will soon give an account of how you spent your life here standing before the court of divine council where the Lord Jesus/Yeshua is sitting in judgment?

**Romans 14:12,” So then every one of us shall give account of himself to God.”**

**2 Corinthians 5:10,” For we must all appear before the judgment seat of Christ; that every one may receive the things *done* in *his* body, according to that he hath done, whether *it* be good or bad.”**

I was considering these things recently as I was studying Revelation 8 about an asteroid hitting the earth and to my surprise and confirmation my friend Tom Horn sent me an advance copy of his newest book dealing with the prophecy of Wormwood.

There is a very large asteroid named Apophis that has some scientist concerned that it may crash into the earth. Apophis was named after an Egyptian spirit of unstoppable dark evil and destruction according to legend. Apophis is also known as Apep or the Great Serpent, the arch enemy of the sun god Ra, in ancient Egyptian religion. It appears Apophis is clearly associated with things like earthquakes, darkness, thunder storms, and death, and is also linked to the god Set, who is associated with chaos, disorder, storms, and darkness.

The enormous asteroid named Apophis is roughly the size of three football fields or about the height of a mountain and flying at a speed of 28,000 miles an hour which has concerned scientist that according to their calculations that it could possibly strike the earth on the Friday 13 April 2029.

Like most governmental warnings and cover up issued, the official narrative is telling us that Apophis will only fly uncomfortable close to this earth. For indeed, if it were actually to collide with Earth, according to a statement issued for the 2019 International Academy of Astronautics’s Planetary Defense Conference, “it would cause major damage to our planet and likely to our civilisation as well.”

Could this possibly be the actual asteroid called Wormwood?

**Revelation 8:7,” The first angel sounded, and there followed hail and fire mingled with blood, and they were cast upon the earth: and the third part of trees was burnt up, and all green grass was burnt up. <sup>8</sup> And the second angel sounded, and as it were a great mountain burning with fire was cast into the sea: and the third part of the sea became blood; <sup>9</sup> And the third part of the creatures which were in the sea, and had life, died; and the third part of the ships were destroyed. <sup>10</sup> And the third angel sounded, and there fell a great star from heaven, burning as it were a lamp, and it fell upon the third part of the rivers, and upon the fountains of waters; <sup>11</sup> And the name of the star is called Wormwood: and the third part of the waters became wormwood; and many men died of the waters, because they were made bitter. <sup>12</sup> And the fourth**

**angel sounded, and the third part of the sun was smitten, and the third part of the moon, and the third part of the stars; so as the third part of them was darkened, and the day shone not for a third part of it, and the night likewise. <sup>13</sup> And I beheld, and heard an angel flying through the midst of heaven, saying with a loud voice, Woe, woe, woe, to the inhabitants of the earth by reason of the other voices of the trumpet of the three angels, which are yet to sound!"**

Depending on your particular understanding and position of prophetic signs, if this is a reality we may consider that the Pre-tribulation Rapture could possibly then happen sometime in 2025 unless your a Post Tribulationist and then you be looking at 2032. Many factors could alter such future event from being fully realised. Nevertheless, either way I would say we are drawing closer to the return of the Lord Jesus/Yeshua each passing day, therefore let us do what is pleasing in His sight at all times.

**James 4:14," Whereas ye know not what [shall be] on the morrow. For what [is] your life? It is even a vapour, that appeareth for a little time, and then vanisheth away."**

**1 Peter 3:15," But sanctify the Lord God in your hearts: and [be] ready always to [give] an answer to every man that asketh you a reason of the hope that is in you with meekness and fear:"**

**John 14:6," Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me."**

The Word of God gives us a continual look into the mirror of personal responsibility. Let us learn to leave everything in God's hand so you will see God's hand in everything.

**Titus 2:13," Looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ;"**

Onward Christian Soldiers!

Fight back overcomers, trust Papa God for every detail and stay in faith! Because "All", things are possible with God! I pray the Lord's supernatural peace, healing, provision and protection cover you always with oceans of agape love in the almighty name of Jesus/Yeshua!
