

SPIRITUAL ISSUES BEHIND SICKNESS AND DISEASE

If we truly study and examine all the data from a Scriptural perspective, clearly it is not the culture that is the problem, rather it is the generational iniquities that have joined our cultures that is the real problem. Considering that every culture has its own unique iniquities. Those thoughts and mindsets that come to you and try and merge into your thoughts as if they were your own thoughts are found to come from your ancestors that produce biological, psychological and psychiatric diseases. Clearly they didn't have their origin in your genetics because your genes don't think. Your genes don't have a brain, therefore it is a biological genetic code. Anything the devil has done Papa God can put back the way it was intended when we recognise and repent of these sins.

Most all symptoms and problems we suffer are mostly spiritual at least 80 to 95% from all the years of Biblical, scientific and medical research I have obtained.

Now if we ask Papa God in the all powerful name of Jesus Christ of Nazareth -Messiah Yeshua for healing and believe it, then it is done, just as we are taught to ask the Lord for forgiveness of sins. It is done. Don't allow and entertain a spirit of doubt and unbelief to start speaking with you that God will not heal you or bless you or you will cancel out your prayers. For we read in James 1:8 “A double minded man is unstable in all his ways.”

If more people still rode horses today, I dare say this world be a whole lot more stabilised. So saddle up little buckaroos and come ride with the Lord Jesus/Yeshua. Might as well learn and practice riding with the King of Kings and Lord of Lords now.

Fight back overcomers, trust Papa God for every detail and stay in faith! Jesus said in Luke 21:15, “For I will give you a mouth and wisdom, which all your adversaries shall not be able to gainsay nor resist.” I say hallelujah! Because “All”, things are possible with God! I pray the Lord's supernatural peace, healing, provision and protection cover you always with oceans of agape love in the almighty name of Jesus/Yeshua!

Revelation 19:11 “And I saw heaven opened, and behold a white horse; and he that sat upon him was called Faithful and True, and in righteousness he doth judge and make war.

12 His eyes were as a flame of fire, and on his head were many crowns; and he had a name written, that no man knew, but he himself.

13 And he was clothed with a vesture dipped in blood: and his name is called The Word of God.

14 And the armies which were in heaven followed him upon white horses, clothed in fine linen, white and clean.

15 And out of his mouth goeth a sharp sword, that with it he should smite the nations: and he shall rule them with a rod of iron: and he treadeth the winepress of the fierceness and wrath of Almighty God.

16 And he hath on his vesture and on his thigh a name written, King Of Kings, And Lord Of Lords.

17 And I saw an angel standing in the sun; and he cried with a loud voice, saying to all the fowls that fly in the midst of heaven, Come and gather yourselves together unto the supper of the great God;”

Behind most every disease is a SPIRIT OF INFIRMITY!

OVERVIEW

Isaiah 59:16-17

Evil was created by God to be used to purify our hearts: I Corinthians 5:4-5

Isaiah 54:16 – “..... I have created the waster to destroy”

WE NEED TO BREAK THE POISONOUS THINKING HABITS. Fear and anxiety causes according to medical research are behind many known diseases.

Maintaining a Good Relationship with God, Self and Others is vital in getting free from disease.

Curses are bad, blessings are good – Deuteronomy 28 and Leviticus 26 describes blessings and curses.

Evil was created (by God) to purify hearts!

I Corinthians 5:4-5

We are what we think! Do you agree that the mind/body/spirit and soul has a connection?

9/10 of all diseases starts in your thought life and come by way of imaginations. Anguish, fear, bitterness, discontentment, jealousy, anger; anything that does not stimulate peace stimulates disease!

We are to take every thought we have in obedience to Christ.

2 Corinthians 10:3,” For though we walk in the flesh, we do not war after the flesh:

4 (For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds;)

5 Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ;

6 And having in a readiness to revenge all disobedience, when your obedience is fulfilled.”

Mark 9:35, “If any man desires to be first, the same shall be last and servant of all!”

Our selfish desires will accomplish the exact opposite of what we want.

We have found that behind almost every health, emotional and spiritual issue is the Spirit of Fear operating. The enemy (Devil) is at work in us through fear, faith in the devil are based in “lies”. The devil mirrors everything that God is, and one of those areas is God’s Son. Did you know the devil has a son too? His name is Lies. “Satan is a liar and the father of it.” (John 8:44) Fear binds the things to our lives and opens the door for all types of diseases to come upon you, not only that but circumstances, relationships, finances, etc., if not dealt with. As you will see, many diseases have a base founded in fear, stress and anxiety which comes from some type of relationship hurt.

Restoring you to the Father is our main concern, that’s where peace is, that’s where rest is, that is where you begin to see Truth that makes you free. We believe that God wants you well, and this is the place to start. But people don’t understand their part in all this. Jeremiah 5:25 says it’s our sins and iniquities that prevent good things from happening to us. Hosea 4:6 says that God’s people perish for lack of knowledge. We wonder why we aren’t well, after all, we are believers!

See what happens is that we want a miracle. But the problem is, if that issue in our life is not dealt with, the disease is right around the corner. Many cancer patients who have been treated and “healed” by whatever means, the cancer in some cases came back. I believe it’s because the real root was never dealt with.

To stop any of the diseases from forming in your family or in your life, you need to know the truth that will KEEP you free.

We have designed this website to take you through the steps to being free and staying free from whatever ails you, be it physical, emotional or mental.

If you will notice, every single disease starts at a breakdown with someone in relationship. If you do not see the disease here you have, ask Papa God where the relationship breach is. Matthew 22:38-40

states that we are to love the Lord our God with all our heart, mind, body and soul and love our neighbour as ourselves. This ministry is based on this scripture – and if we restore those areas of relationship that are not perfected in love, we will find our peace. You do not need to know the “doorpoint” of the disease to be healed from the disease, if you deal with all hurts within your heart. This website offers a number of teachings on forgiveness, love, bitterness, rejection, and more. Take the time to go through every teaching on this site to help uncover the “origin/nucleus issues” in your life for healing to follow.

One of the main blocks to healing is unforgiveness. In each disease found, forgiveness has to be ministered on every level. We walk in love when we choose to forgive. If we do not choose to forgive, disease is at the door. Below is a list of a few diseases to give you an idea on how our own “thoughts” can cause our own problems.

DIS-EASES

DISEASE ISSUES

Accident Prone Could be a spiritual rooted problem. (Low self image, fear)

Adult on-set Diabetes Rooted in self-rejection, self-bitterness and self-hatred. Usually from long term rejection, abuse, abandonment from a parent or guardian or spouse. The pancreas is being attacked by the white corpuscles that are supposed to guard us from disease. Yet because this individual has been attacking themselves for years with guilt and self-hatred, the body begins to attack as well.

Acoustic Neuroma This is a rare tumor, hereditary, a gene missing in that person. Rooted in high stressful situations, fear.

Allergies All allergies are rooted in fear, anxiety and stress. Compromised (broken) immune system.

Something happened to cause this person to be broken to the point of almost no return. Took a long time to get over... “A merry heart does good like a medicine, but a broken spirit dries up the bones”

Allergies are connected with the bone marrow being dried up! Medically proven. It is not because a person is reacting to a chemical or smell. It doesn't show up on a RAS test. Compromised immune system here. Some people believe it's because they have been exposed to too many chemicals. That is a lie! What broke the system are long-term fear and anxiety and stress. When you have a compromised immune system, you'll have allergies. Long term fear and anxiety and stress will destroy your immune system. When you have a breakdown in this area, you may be allergic to more than one thing, this is a phobic disease and panic attacks are associated with it. Deut 28:65-68 – Anxiety comes to one who does not fear the Lord. Separation between us and God – the sin of unforgiveness.

ADD – Attention Deficit Disorder Serotonin deficiency: Self-hatred, self-bitterness, reversal would be to get the individual to love themselves.

Alzheimer White corpuscle deviate behavior. Problem with self.

Angina Rooted in fear and anxiety.

Anorexia/Bolemia Rooted in self-hatred, self-rejection, self-bitterness, and lack of self-esteem, insecure. The serotonin levels are lowered, caused by not feeling good about yourself. If you felt good about yourself, your serotonin levels would be normal, and you would not have these diseases. This person becomes “driven” in everything. Having to perform to be accepted. It could be genetic as well, but the root is still spiritual from that ancestor. Also can be from spirit of “control” matriarchal witchcraft, etc. This is also known as a self-mutilation. Anytime there is cell mutation it is a result of bitterness. This is a hidden addiction to food.

- Desire to eat but won't because have a fear they won't be able to stop
- Feel of no value
- Feel rejected, unloved (also toward self)
- Need to identify the person(s) involved in this and begin the healing through confession and forgiveness.

Aneurysms Aneurysms, strokes, heart attacks from exploding blood vessels, varicose veins and hemorrhoids all have something in common, unresolved rage and anger

Arthritis See Rheumatoid Arthritis

Asthma Rooted in fear and anxiety. John Hopkins University in Baltimore Marylyn agreed that Asthma is a fear and anxiety disorder. It wasn't what the person was breathing that caused the attack. There was something internally that was stiffening the wall. Cell wall rigidity. The toxins are building up in the person from the spiritual root. It only appears those "allergic" things is causing it, but that is the deception. We begin avoiding things now, now we have avoidance behavior on top of the real root! Fear is now even stronger, because fear promotes avoidance. Once these individuals are healed of the spiritual root, their toxin levels were gone!

Anti-unconogen

Antigen also known as White Blood Cells. God created in every cell two enzymes which are tied to your immune system, they are called anti-unconogens. If you have two in every cell, you will NEVER get cancer. Two dimensions can destroy the cells, something internal and something external. Inherited cancer normally means that one anti-unconogen is present, and if that is destroyed, cancer can begin at any time. External destruction can be brought on by radiation, chemicals, PCB's. Internal destruction is where the spiritual root needs to be dealt with, broken relationship of some kind. With God, self or others. This too can destroy the anti-unconogens resulting in cancer.

Autism Is rooted in the woman being more spiritual than a man – matriarchal witchcraft

Auto-immune disease Diabetes, Multiple Sclerosis, Rheumatoid Arthritis, Lupus, Crone's Disease, and other white corpuscle-deviate behavior. (The manifestations of self-hatred, self-guilt, self-conflict, self-rejection, self-bitterness, self-conflict, etc.) As the person attacks himself spiritually, the body attacks the body physically, and the enemy joins in. When we attack ourselves with self-hate and bitterness, we are giving the white corpuscles permission to attack us as well, and giving the enemy permission to do the same!

Back Problems Root can be in self-rejection. However, it has been noted that the occultism and false religions are usually associated with back problems.

Bladder Problems Rooted in compromised immune system. (See compromised immune system in description for details.)

Bone problems Ps. 31:10 – Iniquity causes us to be weakened and our bones waste away. Sorrow in relationships with God, self or others. Proverbs 3:6-8 – By acknowledging God in all our ways, but fear the Lord (departing from evil) – not taking your own advice but believing the Word of God, THEN it shall be health to thy navel and MARROW TO THE BONES. Disobedience to God's word will cause your bones to dry up.

Bowel Problems Medical terminology: Cell Wall rigidity = Causes the body to dry up the liquids that should soften the excretion – but it hardens instead and causes problems. Spiritual root is fear – being abandoned, rejected, resulting in self-rejection, self-bitterness, and self-hatred. Not accepting self, due to a broken relationship with another. Other causes: Inherited curse. Nehemiah 2:9 – we are to break the curse on our life and on our children's by confessing the sins of the father(s) Ezekiel 18:60-62 – Could be from jealousy of a husband that brings a curse on the wife resulting in infidelity. Thoughts or intents of the heart, needs to be confessed. This can result in disease of bowel, intestines, thighs, and baroness, bloating stomach. Adultery can cause bowel problems too – Numbers 5:19. People have to seek the truth for their life.

Breast Cancer Can be inherited, breast-feeding of newborns helps prevent cancer (God's natural way of prevention), exposure to radiation (mammograms). Most breast cancer is a result of a spiritual problem. 10% of all breast cancer is caused by mammograms. National statistic! Why? Because 10% of all women have a genetic code defect. Women should take a test before this test to be sure their unconogens are in each cell. We need 2, if there is only one, it will be destroyed by the x-ray and is

guaranteed that individual will get breast cancer. If the two unconogens are present, you will NEVER get breast cancer. (See anti-unconogen for more details) Deep rooted bitterness and resentment either with a mother or one or more sisters results in breast cancer. We need to get right with our family members! Especially if our husbands are un-nurturing because cancer attacks the nurturing part of the woman's body (breasts, etc.).

Breast Implants Rooted in self-rejection, self-hatred, and self-bitterness.

Breast Cysts Always results in conflict with mother, without exception.

Cancer

Cancer cells develop in each of us all day long, but a peaceful heart and mind kills the cells! Peace with others/self/God.

Peace of Mind is the antidote to cancers. Resulted in outside or inside destruction. Outside could be from radiation, chemicals, PCB's etc. So begin to be aware of your surroundings, what you put in your mouth, household chemicals, and so forth. Inside results from broken relationship with God, Self or others. Both destroy the anti-unconogens and when 2 are not present in all cells, it results in cancer. So what's going on inside of you? There's an old saying that goes, "it eats at you like a cancer". When you start to meditate on hatred against an individual who has wronged you, as you start to focus on that with resentment, anger, hatred, retaliation, bitterness, and unforgiveness. Long term, your body is a chemical manufacturing toxins out of bitterness and anger. These will create a volume of toxins and destroy anti-unconogens, cell is compromised and you have cancer, just like that! Helplessness breeds cancer.

Cancer – Throat Broken spirit, unforgiveness, unresolved conflict with others, self, fear and anxiety

Colon Cancer Not sure right now the exact root, but unforgiveness is definitely part of it. We need to search our heart and ask God who we have not forgiven from our heart!

Cancer – Pancrease Rooted in Self- bitterness, self-rejection, self-hatred and self- rejection. The white corpuscles attack the pancrease. Normally this disease is diagnosed in early stages as Diabetes. But long term, has a ikelihood of developing into cancer.

Colds/Flu Viruses are not spiritually rooted. However, if the immune system is down, colds will take root. Spiritual rooted problem is in a broken immune system. People tend to get sick more when an event is about to take place in their life. Why? Because the pressure is on – people get offended easier, and brokenness of heart happens – self-doubt, guilt and so forth roots up and now you have a broken immune system open to any floating virus. The virus itself is not a spiritually rooted problem, but letting it in, is. Keep protected by walking daily – especially during stressful times – in forgiveness with others and toward self. You are just as valuable when the even is NOT happening as when it is. Monitor your heart daily – don't think something little between you and another won't matter – any brokenness matters – get it resolved quickly, then the virus cannot take root. "The enemy traffics in darkness"

Cancer – Prostrate

(Uterine cancer – same with women) Self- conflict with being a man. Self-rejection, self-hatred.

Candida Is a peripheral disease along with yeast infections, fibromyalgia, catatonia, hypo-thyroidism, organic brain syndrome, retention of toxins, etc. They are not the problem, they are the manifestations of anxiety and fear brought on by being broken by a past relationship! Candida albicans is found in the mouth, vagina (vaginitis) intestinal tract. It also causes severe disease in persons with AIDS and chemotherapy patients. The immune system is broken! (See drying of bones in description section.)

Cerebral Palsy Is not a spiritual rooted disease. It's caused from a birth defect. Such as no oxygen to the brain, or preemie baby. This will take a creative miracle from God.

CFS – Chronic Fatigue syndrome Fear and anxiety brought on by a breakdown in relationship with parent or guardian, mostly of a father or male figure resulting in exhausted all the time, droopy, for no

apparent reason). Drivenness to meet the expectations of a parent in order to receive love and acceptance. (See Parkinson's disease – they have the same components.)

Compulsive Behavior Rooted in serotonin deficiency. Self-problems.

Congestive Heart Failure Rooted in fear and anxiety, bitterness and self-rejection. "Men's heart's fail them for fear" Proverbs. Lack of self-esteem.

Crohn's Disease White corpuscle deviate behavior (autoimmune disease). The white corpuscles begin to eat the lining of the colon, causing massive loss of flesh and ulceration. Rooted in self-hatred, self-rejection, and guilt of not performing perfectly to gain love, affection, and acceptance of an unloving parent.

Depression Generic term. It is a result of chemical imbalance and each person needs to have considerable investigation. Depression is caused from an unloving spirit toward self, resulting in self-rejection or rejection of another. Anytime you come into rejection of self, this will manifest in your body. "Hope deferred makes the heart sick" Proverbs 13:2.

- A loss of expectation in life, producing crushing of the human spirit
- Lack of self-esteem
- Chronic depression can be caused by suppressed anger. Crying is a natural cleanser. Confess your sins (faults) that you may be healed (James 5:16). Time to become trusting again and vulnerable.
- Depression comes from anxiety.

Diabetes White corpuscle deviate behavior (autoimmune disease). Self-rejection, self-hate, guilt, self-bitterness. However, it began with separation from another. The seed is rejection of a father. Father establishes the emotional welfare of a child. Fear of man sets in. Hatred of man sets in.

Diverticulitis Rooted in rage and anger. Brought on by fear and anxiety. Medical definition: infection causing lower abdominal pain, may feel like appendicitis.

Dizziness Needs to be dealt with on an individual basis. Can be caused by MCS/EI. Lack of oxygen! First thing to start paying attention to your breathing! Shallow breathing will result in dizziness. Take a conscientious approach and breathe deeply when you think about it. Vertigo – fluid in the ear – not sure what this is caused from.

Eczema, psoriasis Rooted in fear and anxiety. See Psoriasis for more detail.

Elevated Cholesterol Rooted in fear. Only certain people have a pre-disposition to hardening of the arteries. Triglycerides can be related to a certain inherited problem. The bible says that all heart problems are related to fear. If you have a cholesterol problem and hardening of arteries, you are going to find fear and anxiety right around the corner. Want to know triglyceride level, if up around 300, that person has predisposition to heart attack. Until they are healed they need to watch their cholesterol.

Rooted in paranoia and fear.

EMF – Electro Magnetic Field syndrome Electricity affects them adversely. Rooted in fear and anxiety. Same as MCS/EI.

E.I. – Environment Illness (People, who cannot tolerate smells, fumes, fabrics, etc.)

Rooted in Fear and anxiety brought on by a breakdown in relationship with parent or guardian. Mostly of a father or male figure.

Insomnia Unresolved conflict.

Emphysema Usually the product of smoking. If it's a spiritually rooted disease or genetic, there is a cure. Once dealt with the spiritual aspect, if any, then pray for a miracle so the genetics will change so that the problem won't re-appear. And of course, stop smoking. (Smoking is from a spiritually rooted problem of addiction, a void that needs filling.)

Epilepsy

Mark 9:17 (Unclean spirit) This is a result of an evil spirit, and needs to be cast out. It's even documented in the bible. Where did it come from doesn't matter. It still needs to be dealt with as a spirit. If it comes through an illness or a knock on the head, it's an open door for the enemy to come in

with the disease. Injury can open the door to epilepsy. Grand mal seizures can be caused by an injury; however, a spirit enters through that door of injury and needs to be cast out, asking God to heal that individual after ministry.

Eye Problems Psalm 31:9 – Eye is consumed with grief. Psalms 6:7 – Eye is consumed because of grief. Unforgiving your enemies is a spiritual root. Grief here comes from broken relationship with others.

Fibromyalgia Pain that is localized or all over the body, no inflammation and no reason. Can come in by an injury, but most of the time it's a spiritual root. Psychogenic Pain (thought). The hypothalamus secretes hormone into a nerve, but it causes the flesh to have pain because there is no place for this hormone to go but it pulsates causing fibromyalgia. Rooted in fear and anxiety. Broken relationship with parent or guardian. Emotional roots of fibromyalgia: Stress, tension, depression, anxiety, striving, fear, or depression. Physical manifestations: Muscle pain, joint pain, and tenderness, no swelling. Serotonin deficiency, resulting in hatred toward self. An emotional conflict. There is always a stressor. There is a reason!

Peace is the antidote! Merck Manual says it is primarily a fear and anxiety disorder. Definite serotonin deficiency, resulting in self-hatred. Not having had the love needed to help them know how to love themselves.

Fibroid Cysts Caused by self-hatred that was caused from bitterness of a mother. Can be connected with matriarchal control in the home.

Fear This is a spirit. "For God has not given us the spirit of fear, but power, love and a sound mind". These same three things are also the "kingdom of God". "For the Kingdom of God is not meat and drink, but righteousness, peace and joy in the Holy Ghost". We need to recognize fear as a spirit, treat it as such, and begin to walk OUT those fearful situations. Genesis Ch 3:10 indicates that fear comes by disobedience, which comes from the Spirit of Fear (enemy). I believe that the spirit of fear was in the garden of Eden and was one in the same who tempted Eve with the fruit, because when they disobeyed they immediately felt fear and shame."

Fluid Retention A new class of diseases is known as cell wall rigidity. The spiritual root behind this problem is fear, anxiety and stress. This is also documented as a medical prognosis as well. This includes all diseases such as glaucoma, asthma, and other types of fluid retention diseases.

Gout Rooted in extreme fear

Gall Bladder Stone Caused by self-hatred and self-rejection. Can be someone who is overweight.

Primarily a female disorder. Usually hits women who have had children, who may consider themselves over weight. Possibly related to self-hatred and self-rejection over being fat, and avoiding all fat, when that part of the body is designed to handle it.

Gastro-intestinal problems All are rooted in fear and anxiety. Hiatal hernia, leaky gut, malabsorption (cell wall rigidity) , constipation and diarrhea.

Glaucoma Fear and anxiety causes cell wall rigidity! For some reason, the fluid doesn't flow inside and out as it is suppose to so it gets trapped and causes glaucoma. (Fluid retention disease.)

Hashimoto disease A breakdown in relationship with God, man or others. Anxiety and fear.

Heart Problems, hardening of arteries

Ezekial 11:19 "I will replace your hardened heart with a heart of flesh – compassion, love, peace, gentleness, forgiveness." Fear and anxiety, not cholesterol. Two types of heart problems, angina, stiffening of cartilage muscle, or an xplosionary vessel. The explosion type of heart problem results in unresolved rage and anger, and it can be inherited. Angina and exploding vessels have different roots. Here are some classes of exploding vessels: aneurysms, strokes, varicose veins, hemorrhoids, and exploding blood vessels in the heart area producing heart attack, is caused by rage and anger, and

hostility and great bitterness. Can be inherited as well. But with that inheritance you also inherit the spirit of fear. The bible says in the last day's men's hearts will FAIL them because of fear!

Keep your heart with all diligence (talking about adhering to wisdom) for out of it flows the issues of life. You want life? Then be diligent in putting in your heart the things from God – removing out of the heart that are not from God. Purging by discerning!

Heartburn

Mitro valve Prolapse Mitro valve prolapse – valve doesn't close properly. Sister disease of reflux.

Caused by stress. An anxiety disorder. Rooted in fear.

Heart Murmur Genetic disease. You have to get rid of the spiritual root and ask God to change the genetic code so it won't be passed on any more. Rooted in fear and anxiety.

Heart Palpitations Rooted in fear and anxiety

Hernias Inherited or occupational strain. Not sure if there is a spiritual root. The tear needs to be healed by God.

Hemorrhoids Unresolved rage and anger. A Hemorrhoid is an intestinal varicose vein.

High Blood Pressure Unresolved rage and anger. This involves cellwall rigidity, vasco constriction, which forces blood to go down the tube increasing blood pressure. So what do you do? Take a drug to release the cell wall rigidity! The drug is only a fix, it won't cure.

Hyperthyroidism (Graves Disease) Can produce blindness, heart attacks, goiters, very serious emotional conflict here.

Hypertension Vascio constriction of vessels increasing pressure. Results are Hypothyroidism, TMJ, Diminished smell and taste, parasites. (resulted in LONG TERM fear and anxiety)

Hypothyroidism A breakdown in relationship of God, others, self. Brings on fear and anxiety. The penial gland regulates serotonin levels which effects the thyroid. Can be a self-conflict problem, unloving spirit toward self.

Hives Rooted in fear and anxiety. Over production of histamine.

Hodgkin's disease Spiritual root may be deep-rooted bitterness, resentment and self-hatred coming from rejection by a father, in most cases.

Irritable Bowel Syndrome This can be inherited. Lack of roughage does not change genetic code. Its root is in fear and anxiety. Need to find out where the conflict is and deal with it.

Insanity Dumb and deaf spirit and needs to be cast out! (Any problems from the neck up is a result of deaf and dumb spirit). Jesus cast out spirits through the bible of those who were insane. Insanity is the result of misfiring neurons.

Irregular Heartbeat Can be inherited, and if it has been inherited you have inherited the spirit of fear. Fear and anxiety cause rhythmic problems, even if it is genetic.

Leukemia There are 23 kinds of leukemia. Each one could have a differing root. Spiritual root may be deep-rooted bitterness, resentment and self-hatred coming from rejection by a father, in most cases.

Lower back pain Range of things: Sciatica, degenerative disc, slip disc, osteoarthritis, spondylosis, scoliosis. The Chiropractor is the "maintenance" way. Any arthritis in the back is rooted in bitterness against yourself, or any unresolved issue. IT can be inherited, and probably some kind of conflict with another female, namely mother. Accidents that cause back problems need to be healed by God.

Spiritual root: self-rejection, self-bitterness, self-conflict.

Lung Disease There is a whole range here. Emphysema is exposure to cigarettes. Emphysema does not reverse itself. God has to do a miracle ONCE the spiritual root is dealt with. We need to be responsible for our temple and what we put in it.

Lupus White corpuscle deviate behavior (autoimmune disease). They attack the connective tissue of the organs and eat it. Self-hatred, guilt and condemnation.

Manic Depressant A genetic inherited mental problem. It is through the recessive gene through the mother's 26th chromosome that is defective. It produces a permanent reduction of serotonin levels. TX

with lithium is the chemical management tool. Long-term manic depressants can become psychotic, a person demonstrating this is very dangerous, because they need professional attention and drugs until it can be dealt with spiritually. This person goes from high to lows, depression to mania. The psychotic stage of manic depression, they will commit suicide and try taking someone along with them.. Lithium is a drug of choice, but is NOT a cure. Only manages the problem. (Clinical depression differs from Manic Depression.) Male victimization causes manic depression in women. Genetic code defect comes in, spirit of infirmity comes in. Could be brought in by false religion, occult, witchcraft, satanic ritual abuse, ouiji boards, etc.

MCS – Multiple Chemical Sensitivity Disorder

Sensitive to clothing articles, touching things, allergic reactions that can cause fainting or convulsions. Is a direct result of a breakup in relationship between the person and someone else, usually a close family member and always includes one of the following circumstances: Physical abuse, verbal abuse, sexual abuse and drivenness to meet the domineering cold parent in order to receive their love. This breaks the human spirit, allowing the entrance of fear. I John 4:18 – “fear has torment” Love casts out fear. If we don’t get the nurturing, it causes a breaking in mind and body connection. Long term fear results in running from, avoiding that person or place, resulting in MORE fear and anxiety – vicious cycle. In abuse, no one should stay in that situation. Because of this brokenness, this person can’t give love without fear either. Our immune system has been compromised. Proverbs 17:22 says that a merry heart does good like a medicine. We need to be cheerful, it increases our immune system! We are to lift up those feeble arms and put on the garment of praise! Our immune system is in jeopardy when we are depressed. (See immune system in description for more details.)

Multiple Sclerosis White corpuscle deviate behavior (autoimmune disease). Attacking themselves negatively. Self-hate, shame, self-bitterness, self-rejection, any self-conflict. White corpuscles attack and eat the mylon sheath around the nerves. Sclerosis is one being eaten, multiple is that many are being eaten throughout the body. Now we find that not only the mylon sheath is being eaten, the nerves are also being destroyed. You cannot simply lay hands on this person, there is a definite spiritual root which has to be dealt with, then healing will follow.

MCS – Multiple Chemical Sensitivity (Sensitive to clothing, touching things, allergic reactions that can go as far as fainting or convulsing) Rooted in fear and anxiety brought on by a breakdown in relationship with parent or guardian. Mostly father or male figure.

MPD – Multiple Personality disorder Evil spirits that need to be cast out. The door can be open through satanic ritual abuse (SRA), or a trauma which allows the evil spirits to come in to help that person deal with the trauma. We do not support integration and infusion, this is very controversial. But we believe they are evil spirits and have seen individuals in their right mind after casting them out! It doesn’t necessarily have to take years!

Mitroval Prolac Valve doesn’t close properly to heart. Sister disease of reflex. Which is caused by stress.

Migraine

Internalized Conflict

Mad at self for not handling situations or people the way intended. Conflict with self over that person or situation. Fear and anxiety. Conflict with self. This is also a result of cellwall rigidity. Vasco constriction. It can be defeated easily if you know your enemy. 26 different kinds of pains, some are organic, some are psychosomatic. Migraines are a disease that can be completely healed. Impetrex is a drug being described today for migraines, however, it has extreme side effects! Here is how a migraine works: Undersecretion of serotonin and over secretion of histamine. Here’s how the mind and body connects: Let’s say you have a conflict with someone or something. It isn’t the conflict that triggers the migraine; it’s the conflict the person is having with himself or herself over that conflict that triggers the

migraine. The conflict can be real or imagined or projected. It includes a phobic reality resulting in fear. Penial gland regulates serotonin, and when you are struggling with yourself because of this conflict, you will automatically go into serotonin deficiency. This is how impetrex works: It increases serotonin which is a vasco constrictor, because when the serotonin levels are proper, it keeps the blood vessels the right size to allow the blood to go through the vessels. So when you don't have a migraine, the serotonin levels are normal. However, when you start going into conflict with yourself your hypothalamus gland senses that with the mind and body connection, the penial gland senses that because of all the activity together, then it allows histamine to secrete in the cranial region. Now serotonin and histamine are contrary to each other. It's like having two magnets together that spin apart! When you have histamine secretion into the body, and by the way fear and anxiety in the body causes histamine secretion in the body. Because of all this, now you have vasco dialation, and have an expansion of blood vessels in the cranial region, puts pressure on the nerves. Impetrex is an antihistamine and also a serotonin enhancer mixed together, producing balance in your system. But there is a better way! Why risk all the side effects. Self-rejection, self-bitterness, self-hatred and guilt caused by fear have to be dealt with.

Ovarian Cysts Always results from a conflict with mother, without exception.

Osteo-arthritis Can be rooted in self-hatred and rejection.

Osteoperosis Bitterness, envy and jealousy. Controlling nature and comes from an evil root of matriarchal leadership in the home.

Ovarian Cancer Caused by promiscuity or hatred at being female. Not accepting yourself as a woman.

OCD – Obsessive compulsive behavior Deficiency of serotonin produced by pineal gland – rejection and self-rejection. If a person doesn't feel good about themselves it results in 1) obsessed with food 2) rate of metabolism slows and fat builds up. Body responds to who you are in your thoughts. When we look at ourselves, we need to say, "This is not the real me, the real me is deep inside, this body is just the house I live in." People have conflict with themselves because they don't do everything right! We need to realize the real us is not this shell, it's deeper!

Ovarian Cysts Always a result from a conflict with the mother – without acception. (Same as breast cysts)

Paranoia Mirrors manic depression. Permanent lowered serotonin levels. Self-problem.

Parkinson's Disease Proverbs 13:12 – "Hope deferred makes the heart sick, but when the desire comes, it is a tree of life." When people have Parkinson's, it's because they lost hope someplace. They never amounted to what was expected of them, from others or from themselves. They became driven to please others, but still never quite being accepted. They were rejected and broken in spirit. Their heart became sick and began living in hopelessness. Now they have self-hatred, self-bitterness, self-guilt, conflict with self. Driven, failure, don't measure up, never meet own or other's expectations. Never had expectations fulfilled. Same root as CFS. Medical condition: Dopamene deficiency, neurological misfiring – breakdown – causing tremors and mental breakdown – remembering, etc.

Prostrate Cancer Caused by promiscuity or hatred at being a male. Not accepting yourself as a man.

Pinched Nerve Not a spiritual problem. We need to ask God to release that nerve.

Psoriasis Fear and anxiety coupled with self-hatred and rejection. There is an autoimmune component to it. The bible says there is no fear in love. If you hate yourself, fear comes. They struggle with their own identify and the body responds.

Ringin in ears Damage from accident, or loud noise. This opens the door to a spirit. Witchcraft and occult opens the door as well. Spirit has to be cast out, repent from our sins and receive healing from God.

Rashes Rooted in fear and anxiety and stress. Histamine disorder.

Rheumatoid Arthritis Autoimmune disease. (White corpuscle deviate behavior) Rooted in bitterness and unforgiveness toward another, dead or alive, resulting in self-rejection, self-hate coupled with guilt.. White corpuscle attacks the connective cartilage of the joints and eats it.

Seizures – various types It's a neurological breakdown of white corpuscle build up. Seizures need to be looked at one case at a time. We need to deal with casting out the deaf and dumb spirit in any seizure case. (See epilepsy for more information). Dumb spirit: Mark 9:17 – it is an unclean spirit! This spirit is a result of many diseases.

Sciatica Inflammation, usually left sided, most the time considered a spirit. (See back problems) Sometimes back problems are connected to this, and results in roots of self-hatred, self-bitterness, etc. (See back)

Sinusitis Rooted in fear and anxiety. Causing a secretion of histamine is always connected to fear and anxiety. Anti-histamines are the #1 across the counter drug in America.

Sleep Apnea

Sleep Disorders All sleep disorders are caused by neurological interference or by hormone over-secretion resulted by unresolved conflict. The hypothalamus gland controls sleep patterns. With regard to sleep apnea it would have its root in deaf and dumb spirit. Someone who has great depression, great occultism, false religion, or somewhere along the way they have opened the door. We are to Cast out the demons, not bind them! (Mathew 18)

Proverbs 3:21-24 “When you attain and acquire wisdom and understanding, and discretion THEN when you lied down your sleep shall be sweet.”

Satan Ruler of the principalities in the air. Is not omnipresent. Can only be in one place at a time. He sends his messengers (sometimes messengers of light) to attack us. II Corinthians 11:13-15.

The Lord delivers us to Satan for the destruction of the flesh SO THAT the spirit may be saved in the day of Jesus' return. I Corinthians 5:5

Schizophrenia Involves over secretion of serotonin and epinephrine. Caused by conflict within relating to a confused relationship with family members. Normally a parent that says one things and does another, but wanting the child to do what is right even though the parent does the exact opposite. Causes confusion in a child's mind, then they begin to question themselves, resulting in self-rejection, self-guilt and bitterness.

Scoliosis An evil spirit. Needs to be cast out. Then ask God for a creative miracle of the body.

Shingles Anxiety and fear disorder, which comes from a constant secretion of histamine.

Spondylosis, osteoarthritis Result of injury to possibly compromised tissue. The immune system is effected here. (See back problem)

Strokes Unresolved Rage and Anger, and it can be inherited.

Sty Anxiety defect.

TB Is a virus, and isn't a spiritual problem. We need God to heal that through prayer.

TMJ Rooted in fear and anxiety. Also known in the medical community as a fear and anxiety disorder.

Ulcerative Colitis Fear and anxiety defect. The nerve sends out a pulsation at the nerve endings, causing ulceration and the ulcers to come. Cause is stress and unresolved conflict. (Could even be with yourself.)

Ulcers Fear and anxiety opens the door to a compromised immune system and allows parasites and viruses and bacteria and organisms. When your immune system is healed, your immune system attacks those things and destroys them. Cause for ulcers is anxiety and stress.

Varicose veins Unresolved rage and anger – the same as with aneurysms, strokes, heart attacks from exploding blood vessels and hemorrhoids.

Vaginitis See Candida

Weight Gain Serotonin deficiency. Weight gain is determined by the rate of metabolism, rate of metabolism can be determined by a spiritual problem. So what's the more excellent way? Take a drug to increase serotonin or deal with the spiritual problem that will balance out the metabolism? (For more information, see serotonin deficiency in definitions)

Worms(parasites) (Mark 9:45-50) Parasites = Sin. If our hand, foot, eye offends "me or others", deal with it otherwise the "worms will not die".

Yeast Infections See Candida

Adultery Numbers 5:19-22 – This sin causes stomach problems and leg problems.

Anger Ephesians 4:26 – Do not let the sun go down on your wrath – you are then leaving the door wide open for the enemy to dwell – bringing other demons with him.

Arguing Can arguing make you sick? Where STRIFE is every evil thing! James 3:16

Believing Believing comes by trusting God. We need to get to know God's character, how much he loves us, begin to believe who we are in Christ, this will result in your walking in faith. We can only do what we believe!

Bitterness

"I like what you have but I don't like that you have it"

Negative comparisons Replace bitterness with compassion. If you have bitterness you don't have compassion. They cannot live together. 7 stages of the manifestations of bitterness:

1. Unforgiveness (establishes a record of wrongs done and begins to meditate on it – we are preoccupied by the wrong (sin))
2. Resentment (forms a resentment toward that person)
3. Retaliation (Rebellion sets in. Now I have to protect myself from them, get even)
4. Anger and Rage (We become one with that initial wrong done, both mentally and physically)
5. Hatred sets in. (Not only do I not forgive you, but also you don't have a right to remain on the plant the same as I do.)
6. Violence (One can become violent toward that person.)
7. Murder – can be with words, can be done physically. (Suicide is self-murder).

Burning Embers These are iniquities in the heart. Things that we don't want to let go of. It may be a past love that we have let God deal with, but there's one little piece still lagging that we don't want to give up – possibly the memory of how "wonderful" it was. We want it to remain so we can pull it out and experience it again from time and time again. These burn within and cause havoc in relationships with yourself and with others. These are "spots and blemishes" as spoken in the word. They do as much damage as a person who is rebellious! This will stop the move and flow of the spirit in our lives.

Compromised immune system – Drying of Bones This results in many diseases. The fluids in the bone dries up when there has been brokenness in the individual. "... a broken spirit dries up the bones." This drying up of the bones breaks down the immune system. Any disease that is effected by the immune system, there is a spiritual rooted problem. This person has been broken considerably during their lifetime, which has never been resolved.

Proverbs 17:22 says a merry heart does good like a medicine. We need to be more cheery, it increase our immune system! We are to lift up our feeble hands, put on the garment of praise. Our immune system is in jeopardy when we are depressed. Some say that pesticides ruined their system, the bible says that a broken spirit dries up the bones. It wasn't the pesticides that broke the immune system; it was someone that hurt you. It may take 7 days and nights to search it out, but it's worth the search! Drying up of the bones result in osteoporosis, enema or compromised immune system. It has been documented in the medical community that fear and anxiety destroy the immune system. Who is the healer of the broken heart? Jesus (Luke 4 and Isaiah 61)

Cell Wall Rigidity Fear and anxiety. There is no osmotic process going on for fluid. We're basically drying up! Cell wall permeability is good – that homeostasis is working, the process by which we feed ourselves and cleanse ourselves (cells). Process of osmosis – controlling the distribution of water through the semi-permeable membrane.

Contentment Righteousness will bring satisfaction. Relationship with Jesus the righteous one gives us a sense of value, worth, contentment of who we are and what we have. Proverbs 13:25. (Look at unrighteousness)

Co-dependency Dependent upon another's action to maintain your own. Spirits transferring back and forth. We get caught up with the other person's ordeal because we respond according to that person's problem – taking it on ourselves. If someone is angry, you obtain anger, etc. Definition: dependency means subject to the power of or at disposal of another.

Cursings The curses will come upon this person. (Zechariah 5:3)

Complaining Numbers 11:1 When we complain it displeases God and he will burn us up. Now he burns the sin out of us. That's why we have fiery trials that try the soul! Complaining is one main reason the Israelites never entered the rest of God! (The promised Land).

Controller Having to have everything the way we want it. Someone who makes the decision in the family. Someone who manipulates through emotions and attitudes and actions to get their own way. Rooted in fear and anxiety. (Discontentment)

TERM DESCRIPTIONS, continued

TERM DEFINITION

Confusion Rooted in Fear: James Ch:1 – “Double minded man is unstable in all his ways.” No foundation in the Love of God. Hosea 10:1-2 – Consuming the blessings of God upon self instead of giving – this causes a heart to be divided – double mindedness. God's heart is to give not to get! When we try to “get” we are not after God's heart – this causes confusion. Not knowing the truth can cause confusion – need to know the wiles of the devil and know what is from God. The way to not get confused is to really know God – build up the relationship with him by spending time with him, getting to know his character, receiving his love – then when a crossroads comes up – you will see clearly the heart of God and choose wisely – no confusion. I Tim. 1:7 – “God has not given us a spirit of fear, but power, love and a sound mind” (When we have a sound mind, we don't have confusion.) We cannot have fear and power, love and a sound mind. So fear needs to be dealt with.

Control Control is rooted in fear.

- When we want control, we are in fear. Fear we'll not have.
- When we want control, we aren't trusting God, we are trusting ourselves to complete what we think God won't do (or isn't quick enough doing.)
- When we allow God to take control, it results in freedom and peace. And the thing we have wanted control of a) is no longer a need or a desire b) been restored freely to us.
- Whatever we are controlling in, God wants to bless us in but can only do it through confession of sin, releasing control and receiving the truth that GOD is our provider. “Fear not, I am thy shield and thy exceeding great reward” (Genesis 15:1)
- Control robs us of our Joy, peace, freedom. When we control others we are robbing them of the same. We have become thieves!
- Someone who needs control is truly out of control.

Devil We have made big deal out of the enemy. True he is there but is only as powerful as we allow him to be. The devil, as recorded in Genesis 3:14, crawls on the ground, even today! He is a big nothing and we can stand on his head and not fear. He is beneath our feet! We need to believe this truth. Remember, Evil was created to purge hearts. The devil has every right to traffic in our darkened hearts and cause havoc. But as we identify those areas and become clean, the enemy cannot touch us! (I Corinthians 5:4-5)

Disobedience The degree of disobedience is the same degree at which we truly believe God and receive his unconditional love. We DO what we BELIEVE. We are disobedient because we don't understand the "law of love". Disobedience is the first sin recorded in the bible (Genesis 1-3). Disobedience manifests shame. Disobedience and fear go hand in hand. (Genes 3:10)

Discontentment "The righteous eats to the satisfying of his soul; but the belly of the wicked shall want". Proverbs 13:25.

Psalm 23 says, "The Lord is my shepherd I shall not want" – This is a relationship breach the Son. Jesus is recognized as the "Good Shepherd". If we have a problem with him leading us, and we reject him, we will also be discontented and miserable.

Discernment Knowing the difference between good and evil. Hebrews 6:14. "Promises without discernment is still bondage" We can know all the promises, but in order to obtain them we need to make some right choices – but we need to know what is God and what isn't. We need to take the time to discern – know the "wiles" of the devil. It appears in scripture that many of them state the evil part first before the good part. "The Kingdom of God is NOT meat and drink, but righteousness, peace and joy in the Holy Ghost. "God has NOT given us the spirit of fear.. but power, love and sound mind." These are examples of discernment – stating the evil and the good!

Drivenness (A drive to perform, continue going no matter what) Anxiety and fear. It's a form of control, which is identified as matriarchal witchcraft. Ever play with Ouiji board? Horoscope? Cards? Opened the door to a spirit of control. A form of manipulation brought on by an unloving spirit and fear. The root may be from wanting to please a parent in a home of rejection, strife, anger, unacceptance, unlove and unrest. (form of manipulation and control)

Fear Fear is a spirit! God has not given us the spirit of Fear but of Power, Love and a Sound Mind. It needs to be cast out, then replaced with the Word of God to keep that deliverance! The enemy will try to come back at another time, with 7 worse than himself, and if it's not filled with God, they will move back in, and the state of that person will be 7 times worse than the first! When fear is present it causes secretion of liquid into the body. A hormone called ACTH is released by the hypothalamus gland, which produces us to want to fight or run. When fear is present, it causes the heart to accelerate. This is how it works.

Fear the Lord When we fear the Lord with reverence and awe – we will be hidden in the secret of pavilion from strife and unrest. We will enter into the presence of the Lord when we trust and rely on him!

Psalms 32:19-20

Psalm 34: 3-9 "I sought the Lord and he heard me, and delivered me from all my fears. The angel of the Lord encamps around about us and saves us out of all our troubles and delivers us- because we fear him"

Seeking the Lord will cause us to become delivered from fears.

We fear the Lord by departing from evil: Proverbs 1:7-8. We need to know the difference first – discerning what is God and what is the devil.

Proverbs 3:6-8 – In ALL THY WAYS acknowledge him, and he shall direct thy paths, Be not wise in your own eyes, FEAR THE LORD and depart from evil, AND IT SHALL BE health to thy navel and marrow to thy bones. Fearing the Lord brings Health! Obedience = Health. Heeding His word and being obedient to the truth.

Grief Psalms 31:9 – Grief that consumes a person causes eye, soul, and belly problems. Psalms 6 – Whole chapter describes pain and inner turmoil which was brought on by unforgiveness (offense of others) resulting in grief – thereby resulting in other physical problems such as eyes, bones, lack of strength, and weariness. This person needs to identify the person(s) that there is breach with – offended by someone.

God's Enlightening of Grief personally: It is grieving over a dead issue! Something we can't forget that comes from offense, it gets stirred up now and again, it is a dead thing. The past is dead. This results in: pain and inner turmoil, sickness due to broken relationship from offense. Causes bones to be painful, causes sickness to come, causes eye problems. Grief isn't just "grieving over a lost one", but it's continual state of being from an offense.

Grace Zechariah 4:6-7 "Not by might, not by power, but by my spirit says the Lord... and then shout grace, grace, to the mountain". Grace is the "stuff" we need to pull down the enemy's attacks. To give us what we need to "go through". For BY GRACE... we are saved THROUGH faith. Grace flows through faith to us. We need more and more grace everyday.

Faith Faith is something we need that pleases God. "For without faith it is impossible to please God..". But the truth is, all believers have been given a measure of faith. Jesus is the author and finisher of our faith. So everyone needs to know WE ALL HAVE FAITH! We need to know, WE PLEASE GOD, by simply receiving His Son! Faith is a channel for grace to flow to us. Depending on how wide the faith channel is will depend on how much grace can come through.

Hypothalamus gland Secretes hormones. It produces a hormone into the system when we fear, causing us to want to fight or run! Definition: the region of the forebrain linked with the pituitary gland. It contains several important centers controlling body temperature, thirst, hunger, and eating, water balance, the sexual function. Closely connected with emotional activity and sleep, and balancing hormones and autonomic nervous activity through its control of pituitary secretions. Mind-body connection. What you THINK does effect your body! Proverbs says, "As a man thinks so is he". It reacts to life circumstances such as panic, phobias, fear, anxiety stress, rage, anger, hostility, aggression, center for eating and thirst and is the major gland for sleep. Whatever thought you have, either spiritually or psychologically, your body releases a chemical that is secreted into the body. It not only controls hormone balance, but also controls the involuntary nervous system known as the unconscious thought.

Hopelessness and despair Is a result of not knowing your identity, who you are, and what your life is all about. Ps. 139 "search me and know me" II Cor. 10:6, II Cor. 10:5. Hopelessness can manifest parkinsons disease.

Healthiness A faithful Ambassador is Health. Proverbs 13:17

Hypo-Hyper Dynamics of Secretion Involves hormones, neuro transmitters, erotonin, dobutamine and cortisone. What causes under or over secretion is ALWAYS a spiritual problem.

Inherited Disease When you have a genetic inherited disease you still have a spiritual root. It is passed on to other generations by "familiar spirits" in the family tree. The bloodline curse has to be stopped. It can stop with you! Confess the sins of your fathers (Nehemiah 1) and pray for God to break the bloodline curse, then receive that result by faith!

Idolatry Putting anything in front of you and God, including yourself! Fear and worry comes from trying to do things yourself, not trusting God.

Insecurity Rooted in fear. Not trusting God. Balance is needed.

Impatience Impatience produces stress. Impatience is rooted in pride, rooted in fear, selfishness, etc.

Iniquity #1 block to blessings. Isaiah 59:1-2 – because of our sins and iniquities, our prayers are not being heard. Iniquity will weaken our bones, and our strength will fail.

Jealousy Is a spirit – Numbers 5:30. The spirit of jealousy comes to someone who has opened the door of "offense" of another. It's the same spirit that crucified Jesus! Mark 15:10. It is what causes many illnesses – the jealous husband can cause a woman to be barren, or her thighs to rot. Numbers 5:19-22.

Lies People lie out of self-preservation. Selfishness and fear of personal harm. A liar does not believe that God can take care of them. This person does not know the truth nor believes it. (Gen 12:11-13 – Abraham lied for fear of his life, a direct breach of trust in God's protection.) Lies is the son of Satan.

The lies we believe are what cause our problems. Jesus is TRUTH so naturally Satan's Son is LIES. If we lie, we are fellowshipping with the wrong son!

Life Breathing in and Breathing out keeps us alive. We are to receive and give, receive and give. If we don't we will be like the dead sea – takes water in but doesn't release any. It is proven that many visit the red sea and sit in its mud – they say it feels good to the flesh. A spiritual parallel is here – anything that takes and not gives is to satisfy the flesh!

Looking Back Anyone who puts his hand to the plow and looks back is not fit for the kingdom of Heaven. Luke 9:62.

Numbers 11:5-6 – Israelites looked back to Egypt because things were getting a little hard in the wilderness – but didn't remember the hardships they had back there, only remembered the food they ate. Esau sold his birthright for food!

Limbic System The connection between thought and hypothalamus gland (body). Cerebral cortex is where the thought goes through, and a progression of transferring a thought to psychological thought. Malabsorption, leaky gut It's an anxiety disorder brought on by fear.

Matriarchal Witchcraft Driving you and accusing you. Driven, scattered, and smothered, also bitterness is caused from this. Repent and cast it out. Two kinds of leadership is in the home, there should only be one. Patriarchal leadership, not matriarchal. The devil is very spiritual, and when a man doesn't take that leadership, he knows the female is very spiritual and so tempts her to become the spiritual leader in the home. This causes so many kinds of illnesses in women because they are doing what was created for man to do! Behind this is also distrust toward others. Anxiety drives this person. Women take over because of fear, abandonment, and loss of patriarchal environment. She becomes "driven" to perform, keeping thing together. We develop "rage and anger" from this kind of situation.

How to get rid of this? Repent and cast it out! It is a spirit.

Patience Hebrews 10:30. "We have need of patience in order to receive the promises". Patience comes by trusting God and God alone, right relationship with God births patience! James Ch 1 "But let patience have her perfect work, that ye may be perfect and entire wanting nothing" Patience is the greatest virtue of all – it defeats the enemy because as long as you can't get upset when he attacks, you defeat him. Patience also causes us to be content, lacking nothing! Patience comes from trusting the Shepherd who provides our wants. Jesus is known as the "good shepherd". Psalm 23 ..."I shall not lack..." When we lack we don't have patience! Your relationship with Jesus needs to be developed more. Stop and ask Him for more of Him.

Peace

Long Life Forget not the Word of God, Keep His commandments, length of days and long life and PEACE shall be added. Proverbs 3:1-2. Jesus is our peace. Having a relationship with Him – personally and completely – receiving and giving in that relationship, will give you peace. Proverbs 3:13-18 – says that by forgetting the Word of God, and his commandments, leads to death. (Word is Jesus – again, need to build your relationship with Jesus. If you have difficulty desiring reading the Word of God, then you lack relationship with the Son of God – who is the word made flesh! Talk to Jesus right now if this is a problem. Tell Him right now, you don't enjoy reading the Word and to forgive you and restore your relationship to Him. And wait on God to deliver you!

Preservation Job 10:12 Thou has granted me life and favor and thy visitation has preserved my spirit. God preserves us and keeps us – we cannot keep ourselves. We are preserved by the Holy Spirit. Build your relationship with the Holy Spirit and understand His characteristics. Know that you are NOT out of God's care – the Holy Spirit that dwells in you is preserving you!

Pharmaceu-ticals Witchcraft: Vines Dictionary defines as Pharmakia – (English pharmacy) Primarily signified the use of medicine, drugs, spells; then poisoning, then sorcery.

Psychology “Doctrines of Men” or Devils. Claiming to have the answers themselves, placing themselves above God.

Rejection When we see someone with a deep relationship with God, we see someone whose been rejected in life. David was rejected by all, and through his whole life, and yet he is known as “a man after God’s own heart”.

Rage and Anger Rooted in Bitterness against a parent or guardian. Presumably a male figure, mate, etc. Could be from abuse, abandonment, or rejection. Not getting the love needed for nurturing.

Hemorrhoids are caused from rage and anger. 50% of all spiritually rooted diseases is rooted in rage and anger. Rage and anger can be inherited. 50% of all disease is rooted in rage and anger. In many cases, individuals do not believe they have rage and anger, but the first step to freedom is to explore that with God to be sure.

Self-pity Is idolatry. Putting yourself above God.

Self-Hate, Self-bitterness, any self problems You don’t know how much God loves you, you have not accepted His unconditional love, and you have not accepted you’re righteous by the Blood of Jesus. A revelation has to take root to that you will begin to love yourself with the Love God is giving you!

Serotonin Deficiency

We say, “Now I really don’t like myself” If we have lowered serotonin levels, it’s because we don’t feel good about ourselves. Self-hatred, self-bitterness, self-resentment, etc. Once we have a good relationship with ourselves, these levels balance out. Many diseases are rooted in this. St. John’s Wort is a serotonin enhancer. Fenpin is used as an upper to help you feel good about yourself so you won’t eat! However, Fenpin has many side effects including brain damage. This level is dropped by a direct result of you not feeling good about yourself. We are to love ourselves! We are to ACCEPT ourselves! Pituitary gland slows down serotonin.

Sorrow “Many sorrows shall be to the wicked, but he who trusts in the Lord mercy shall compass him about.” Psalm 32:10 People who are full of sorrow and sadness have a poor relationship with God their father.

Strife Proverbs 28:25 Root of strife is pride. He who has a proud heart stirs up strife. (Self righteous person, judgmental, critical, bitter, jealous, hurt – a person in pride doesn’t trust the Lord. This person has a wrong self-image and problems in relationships with either God, others or Self, probably all when strife is involved. “Where strife is is EVERY EVIL thing.” James 3:16

Sanctify Leviticus 20:7-8 “Sanctify yourselves (separate yourselves) by keeping the commandments and doing them – and then the Lord cleanses and sanctifies us.

Sadness Proverbs 12:25 – Heaviness (sadness) in the heart of man maketh it stoop, but a good word makes it glad. Need to identify what is making your heart heavy. Perhaps rooted in unforgiveness and fear. Hope deferred makes the heart sick... Proverbs 13:12. Hopelensness can make the heart sad and heavy. Where did you loose your hope? Broken relationship with someone who hurt you pretty bad.

TERM DESCRIPTIONS, continued

TERM DEFINITION

Stomach – hunger pains John 6:35 – Hunger pains in stomach, we need to go to Jesus. “I am the bread of life; he that cometh to me shall never hunger, and he that believes on me shall never thirst.”

Strength gone – weak and frail “For my life is spent with grief, (not just a normal grieving time, but this person’s whole life is spent in grief that results in disease), and my years (a long time) with sighing (complaining, self-pity, what-about-me?, disgust, dissatisfaction, etc.) and my strength fails because of mine iniquity and my bones are consumed” Psalms 31:10

TMJ Locking of the jaws. Cracking sounds and pain in jaw line. Sometimes using a teeth guard for helping to stop grinding in the sleep will help reduce the pain.

Thyroxin Under-secretion of a hormone. When we’re ok mentally, the gland knows we’re OK and balances out the hormone.

Transvestite Someone who truly believes that:

- God made a mistake
- They are really the opposite sex with strong convictions
- God has condoned this

The truth is:

- They are in strong delusion – the thief came and stole their identity
- Something took place in the womb or childhood resulting in this desire
- Brokenness within and with others is numerous
- Mad at God for not doing it right from birth
- Mad at God for letting them be tormented in another's body
- Perverted and distorted spirit is upon them
- Lying Spirit upon them
- Spirit of death
- Spirit of Fear
- Seducing spirit
- Murdering Spirit – killed themselves and all they were
- We need to help them identify the truth.
- The real person is wanting to be free!
- Full of anxiety and stress and unrest
- Living a lie
- Self mutilation (when a sex change is done)

This person is in constant turmoil. We will not find rest until we accept who we are. Where envy and strife is every evil work! (James 3:16)

Toxic retention Fear and anxiety. (cell wall rigidity)

Unloving Spirit Comes out of generations. "Familiar Spirit". It is a spirit passed down from your fathers. It is not happy unless it's trashing others. And out of it produces a guilt complex.

THIEF A curse will come upon a thief (Zechariah 5:3). The character of the enemy is a "thief". The thief comes but to kill, steal and destroy.

Truth Words of God are truth. "Let the word of truth not depart from your eyes, keep them in the midst of your heart, for they are life unto those that find them, and health to all their flesh" Proverbs 4:21-22.

Unfulfilled Not content, unsatisfied means this person is not believing. John 6:35 We need to receive satisfaction from the Son of God. He is our Shepherd and provides all our wants and desires.

Unrighteousness Every believer is "made righteous by Jesus". (Romans 5:19-21) If a person "feels" unrighteous, they are believing a lie and the truth is NOT in them. There is a breach in relationship with the righteous one – Jesus. Not that this person isn't saved, they just don't have a solid personal back and forth relationship with the Son of God! "We are made the righteousness through Christ Jesus" (II Corinthians 5:21)

Opposite of righteousness is wickedness. Anyone rejecting Christ is wicked. Whether they "do" wickedly or not. Wicked has a different meaning than the world's meaning.

Wickedness A person who is unrighteous is wicked. A person who is wicked is wicked because they don't trust the Lord. Not that they do wicked things! An unrighteous person is also known as a wicked person. Jesus is our righteousness – so if there is a "feeling" of unrighteousness in a believer – they don't have a good relationship with Jesus. It's a heart condition. Look up the word "wicked" in a concordance to find scriptures that describe wickedness. It's about the heart!

Wickedness is not necessarily from an unsaved individual. It is noted over and over in the word that a wicked person is someone who is disobedient! Isaiah 57:20-21. They are people who don't trust God. There is no peace or rest and they are full of anxiety for what they are doing.

A wicked person is also someone who does not forgive. Matthew 18:32-33

White Corpuscle Deviate behavior It results in a spiritual root that causes your white corpuscles to go crazy. In addition to being destroyed by fear and anxiety, they can congregate and have a big party someplace in your body. They produce non-bacterial inflammation. Classic diseases of their behavior are prostatitis (prostate gland on men), Interstitial cystitis, bladder gland in females. Both have a spiritual root, both are equal. This is a combination of autoimmune and allergies excess secretion of histamine, congregation of white corpuscles, inflammation of non-bacterial sort. This is all rooted in fear and self-rejection!

Here is how the Lord intended for these corpuscles to work: He created them to attack the bad and eat it. But with “deviate behavior” they pass by the invaders, such as bacterium and viruses and attack good tissue. This results in an autoimmune disease.
