JOHN 3:16

FAIR OAKS CHURCH FAMILY,

What a year! 2021 began with the pandemic still in full swing with no end in sight. We started working towards reopening our campus and moved all our worship services together in the Worship Center. It was so good to open our doors and reintroduce in-person worship services on March 21, 2021, after spending the previous year meeting online or outdoors on our Plaza.

I can't tell you how grateful I am for God faithfully leading us to that place after the year we had in 2020! I am so appreciative for our team: our amazing facilities, tech, and worship teams - and our staff and volunteers who worked so hard to get us open and worshipping together again in person and continuing online!

I am also incredibly grateful for you, church! Thank you for the way you have faithfully and generously supported the ministry and mission of Fair Oaks Church. We would not be here without your partnership in the gospel, especially now! I am confident that God is leading us to greater things in this next year!

We are looking forward to an even better year in 2022 when we can finally put this pandemic behind us (God willing!) and move into the bright future that God has for Fair Oaks Church!

TOGETHER in 2022 we are going to refocus on Jesus and His mission, learn afresh what it means to truly be **FOR** our community because God is for them! And redouble our efforts to invest in reaching the Next Generation for Jesus like never before!

I love you church! I can't wait to see you, worship with you, and serve alongside you in 2022! God has an abundance of good in store for His Church in the new year!
