

SERVING ON OUR TECH TEAM

WHY SERVE WITH TECHNICAL ARTS TEAM?

Be part of the **team** that **creates worship** environments using **technology** to allow people to **experience God**. Learn to use state-of-the-art, modern AV equipment for broadcasting, live music, and conferences from experienced professionals.

HOW CAN I HELP?

- **Mid-Week**
Training, rehearsals, and prep for Sunday services
- **Sundays**
Services: 7am-11:30am
- **Ministry Events**
Help out on midweek and weekend church-wide events

WHAT TO EXPECT?

Expect to be a valued member of the **TEAM**. Be an important contributor to helping create worship environments and facilitate services. All skill levels needed. Just be yourself... Can't wait to serve with you!

WHEN DO I START?

Someone from our tech team will be contacting you to follow up and get you started. We'll work with your schedule and train you! Thanks for finding your spot serving with us!
