WELCOME

We are so glad you decided to take this journey with us today! Our desire is that you can discover more about who we are as a church and how we can better serve you and your family. We pray that this journey can be one that will last a lifetime. We believe that God directs our path and we know that He has led you here, to this moment, today.

Our goal today is that you may discover the Mission, Vision, and Core Values of **RTL**A Church. We believe that when we have understanding and knowledge of who we are, where we are going, and how we will get there, we can be successful in achieving everything God has designed for our lives.

We want to welcome you to the journey that will transform the course of your life, and lead you into the fullness of God's plan for you. Welcome.

MISSION

MISSION is the reason why we exist. The mandate which God gave us to begin **RTL**Church.

As a church we exist to _____ an unchurched generation. **REFORM** our culture and **TRAIN** this generation to take it's place in the world.

VISION

VISION is a goal with a deadline. It's composed of what we do consistently which allows us to fulfill the reason why we exist.

Here at **RTL**A we are very intentional about _____ with a brush called **faith**. This brush ultimately paints the big picture of the church **we** see.

THE CHURCH WE SEE

THE CHURCH WE SEE is God-centric, Purpose-centric, and Kingdom-centric.

THE CHURCH WE SEE is exciting and full of life.

It is numerically large and deeply spiritual church.

THE CHURCH WE SEE is not religious or traditional,

it is different and has no fear of going against what is established.

Seeks the approval of God much more than the approval of men.

It's naturally supernatural and it's incredibly fun to be a part of.

It is a church of character and integrity. A church whose primary desire is to glorify God and establish His Kingdom here on earth.

THE CHURCH WE SEE is a church that is triumphant, and conquering.

A church whose prophetic proclamation is going to impact Los Angeles, the United States, and all nations.

THE CHURCH WE SEE has educational, business, and ministry training centers with the assignment of equipping, activating, and sending ordinary people to do extraordinary things in the world for the Kingdom.

THE CHURCH WE SEE loves, serves, and impacts the Los Angeles community.

THE CHURCH WE SEE CAN VERY WELL BE THIS CHURCH, [RTLACHURCH](#)

CORE VALUES

Core Values are the foundation of the culture established here at **RTL**AChurch. These are the things we live by and are un-willing to compromise. They dictate many aspects of our church from what programs we have, what events we host and take part in, or even how we invest our finances. These values shape our weekly worship experience and allow us to have a way to measure how we are doing God's work here at **RTL**AChurch.

Our goal is to continually live out these *Core Values* and embed them into every aspect of this ministry. From the moment you drive into the parking lot to when you head back home, whether you connect online or walk into our worship center.

At **RTL**AChurch we have 13 core values.

1. LOVE GOD
2. love people
3. SERVING
4. freedom
5. GENEROSITY
6. honor
7. COMMITMENT
8. CELEBRATING
9. balance
10. COMMUNITY
11. DIVERSITY
12. creativity
13. EXCELLENCE

THERE'S MORE!

During the time in which we are enjoying this amazing experience, Our children are in the hands of our exciting children's ministry: [Kingdom Kids](#) . More than childcare, we believe whole-heartedly that God can use our children regardless of their age. We make it a point to empower our kids through amazing programs where they can encounter the Love of Jesus and begin to establish a relationship with Him. We are intentional about bringing programs that can be fun, yet build good character, develop their leadership, and teach them good biblical principles. All lead by trained teachers in a safe, secure environment where you can feel at peace about bringing your children. We're excited for our future.

* this is available for children from 1 - 12 years old.

A *parents lounge* is also available for parents with infants from 0 - 12 months. This is a dedicated space where parents can enjoy the service while caring for their infants.

Warning: We apologize in advance for how much your child will bug you to bring them back the next week! #SorryNotSorry

Teens and young adults are important to us as well, and we have created a community where just like the children, they can be empowered and lead to have an encounter with Jesus. All while being in a healthy safe environment where they can grow in purpose and in leadership. This ministry is called [Young Life Ministry](#) .

HOW IT ALL HAPPENS

Every week we have the opportunity to exercise our *Core Values*. Here at **RTL**AChurch we take pride in our weekly Worship Experience. This experience is one that we know makes all the difference. We laugh, we cry, we sing, and sometimes we even dance! This experience is built by people for people. Our Worship Experience takes place on Wednesday at 730pm & Sundays at 9/11/115pm ! This gives you the opportunity to sleep in or join us early in the morning! The experience also known as our Worship Service, is a fun family environment that takes place in a very unique way. The services are held in both Spanish & English for the simple fact that we believe we were called to bridge the gap between generations. We want parents to have the opportunity to sit with their children and worship together in whichever language is more comfortable for you.

For us this experience does not only take place in our Worship Center, it begins in the parking lot, with our amazing Parking Team. It's strengthened by our welcome team, and handed over to our amazing worship arts ministry. We also take pride in exercising our generosity as part of the experience, because we understand that giving is a reflection of the love and gratitude that exists in our hearts! We give because we believe what the Bible says that: "A generous person will prosper" (Proverbs 11:25(a) NIV) Our pastor then seals the experience with a powerful, relevant message that we know you can apply to your life today! Lastly you can find a place called the connection center where you can obtain information on any part of this ministry, sign up for events, or simply connect.

WE WANT YOU!

Maybe you got an overload of information or maybe, just maybe you found the exact place you've been wanting to call Home. Either way we want to welcome you to Our Home.

RTLChurch is a place where you can *Belong before you Believe.*

Though this is true we want you to know that there is an opportunity for you *GROW* (no pun intended) and take belonging here at **RTL**Church.

This opportunity for growth consists of a **90 day challenge**

This challenge has the capacity to bring clarity to your life, set a solid foundation in your faith, give you the necessary tools to be effective, bring restoration to many areas of your life, and empower you to walk in the fullness of everything God has created for you!

Are you ready?

JUST A LITTLE MORE... (PROMISE)

As a church we believe that healthy strong families = a healthy strong church. So we have been intentional in creating a pastoral care ministry. This ministry is composed of our prayer Team, which is available to everyone who might need support in prayer, a team of counselors who have a passion to help marriages, families or someone who might be struggling with substance abuse or addictions of any sort, ministers who are willing to walk with you through moments of pain and suffering, and rejoice in moments of celebration.

Our main objective is to help heal, restore, and empower people to grow into the original design for which they were created.

We believe there is a "plan and purpose" for each and everyone and we want to help you discover it.
