

SHINING LIGHT

Established 2001

School for Boys

"I am the light of the world"

There nothing better than sitting around the house and listening to these teenagers play and sing. They are just learning, but they're learning fast. I think they sound amazing!

Psalms 105:2 - *Sing unto him, sing psalms unto him: talk ye of all his wondrous works.*

Psalms 104:33 - *I will sing unto the LORD as long as I live: I will sing praise to my God while I have my being.*

Psalms 95:1 - *O come, let us sing unto the LORD: let us make a joyful noise to the rock of our salvation.*

January - March 2022

NEEDS

Wal-Mart gift cards for perishable items such as milk, bread, cleaning supplies, Gas, etc.

We also need Canned goods!

Hello to all our supporting churches, families, and friends! What a joy it is to write to you once again, it's hard to believe that a quarter of this year has already passed! The Lord has been so good to us the last several months! We thank you for the prayers you have prayed for our family and the ministry! Thank you for being faithful to support the ministry. We also want to say a special thank you to those that have donated food and supplies. Food is truly our biggest monthly expense. Thank you for everything you do.

At this time, we have seven boys enrolled in the school. A couple of boys have gone home, and some new boys have arrived. Our newest boy just turned fifteen, his name is Rob, and is from Grieg, New York. Please pray for him as he adjusts to the new atmosphere and environment. Rob has only been here a few days. A couple of months ago we also enrolled a boy from Randleman, NC and he

recently turned sixteen years old, his name is Roy. I personally think he has an amazing name! Both boys need help from the Lord. The other boys are working hard trying to finish up the school year. They are anticipating the summer months. We have already started to do a few fun activities and were able to get

season passes to Carowinds. So, they are ready for a summer of hard work and lots of fun as well. We have several projects we would like to get accomplished this summer.

I have been doing better since my second bout with Covid. I was only in the hospital three days after the first of the year. I am so thankful for God's healing hand. I also recently had some skin cancer removed from my right ear. It was not an enjoyable procedure, but it was a successful one. They were able to remove all the cancer.

Please pray for my mother and my wife's parents as well. All three of them have had Covid and are slowly recovering. Especially pray for Mrs. Susie's dad, they have discovered some cancer and will be running test to see what they need to do about it.

We recently had our drive reworked and new gravel put down. Currently, we are trying to raise the funds to repair our septic tank system and remodel our kitchen. We will need to buy lumber, cabinets, sink, and put down new flooring. We are trusting the Lord to provide for these special needs. If the Lord lays it on your heart to help us with this need, please let us know.

"SPONSOR A BOY"

In 2001, we opened our home to help troubled boys turn their lives around and to teach them how to serve the Lord and function effectively with family and society. We have done so over the past 20 years without any financial aid from any government source. We are solely supported by several churches and individuals that feel led of God to support us. We are asking if a church or maybe an individual would like to adopt a boy for a month with a one-time donation of \$100.00. These funds will go towards his schooling, clothes, food as well as any other needs that the boys might have. This will help with the expense that it takes to make it possible for a boy to change his life around and possibly give his life to the Lord.

If you can help with any of these needs please feel free to contact us.
