• Advice for your online class
  ▪ Eliminate or at least reduce distractions as much as possible. We need your undivided attention. Find a quiet location, do not multi-task, and focus on the class.
  ▪ If you are using your computer for audio, you will need a headset. If using your phone, please use a phone with a good connection. Static and dropped calls are a disruption for everyone.
  ▪ Please sign into the class 5 to 10 minutes before the scheduled class start time.
  ▪ Put your microphone on mute when you are not talking.
  ▪ When it is your turn to speak, remember to unmute your microphone! Then begin with your name and proceed with your conversation. When you are finished speaking, mute your microphone.

• Requirements to fulfill for credit for the class:
  ▪ Sign into the class 5 minutes before the class begins. Check in with your instructor. If you sign into the class more than five minutes after the session starts you may be marked absent.
  ▪ Please remain in the class for the full duration of the session.
  ▪ Be prepared to share your takeaways, learnings and questions following each class via the online learning platform.
  ▪ Please complete and submit a class evaluation. Your feedback and suggestions are very valuable to us!
