Each Sunday we gather together as a Church to respond to God with worship, prayer, praise, teaching, and giving. Our Sunday School ministry encourages us to learn about our Creator through meaningful study of His Word and connect with one another by forming ongoing relationships.

Weekly small groups encourage our church family and help develop our relationships and spiritual growth to deeper levels. We experience life transformation in believers' fellowship, through living missionally, and by applying the principles from our time in the Word in a relational context that promotes accountability and real change.

Through service, both in our church and in our community, we allow God's transformative love to flow through us and effect change in hearts desperate for truth. We are the hands and feet of Jesus bringing the light of the Gospel to a world in darkness.
