### Important Notes About Accessibility at Trinity Church

\*We encourage those who are able to park in the garage behind the church, where you can park for free until 2 PM. This frees critical parking spots around the church for those who need to park more closely for a shorter amount of steps into the sanctuary and more spaces for those visiting our church to have an outstanding experience from start to finish. Accessibility entrance is on York Street side of church.

**Usher Ministry** – As we continue to increase our numbers for in-person worship, we want to add weekly ushers back to the Sunday rhythms.
