Dear Church Family,

It certainly goes without saying, we are living in perilous times. It seems that everywhere we look there is a new problem. I have been so overwhelmed with the fact that we could not have church in the usual way. I am glad that we are back inside the building, but its not the same when we have to be so distant with each other. Judy and I miss the closeness of the church family. I am praying daily that God will heal this pandemic and we can get back to life. Please, pray for us and for each other. I pray for you daily.

One thing that I can say is that the Lord is dealing with my heart each week for the sermons that I preach. It is a blessing to spend hours in the study of the "Word of God" when he is very obviously present in the study. I do not preach each week just to fill a slot that is a part of church. I preach with the great hope that God is going to speak through his "Word" something that will help you in your daily walk of life. I am only the spokesman for a Holy God.

I am thankful for the number of people that are coming back to the church each Sunday morning and Wednesday evening. If you have fear of coming back at this time, please watch each service on Facebook. We are also, on the radio live each Sunday at 11:00 A.M. I look forward to the day when all of us can be together and worship our dear Lord.

It has been a wonderful blessing to see how that each of you has supported the church financially since the pandemic began. Even, when we were not having services at the church, you gave. I have been paid along with the staff. Our mission work has been taken care of. The upkeep and operation of the church has been taken care of. Please know that I appreciate this from the bottom of my heart. I believe God will take care of us, if we take care of His work.

May God Bless Each of You,

J. D. Grant

Pastor J. D.

## A New Beginning 2020-2021

The Nominating Committee met Monday, July 27 to make preparations for the new 2020-2021 church year. The committee made the decision to leave General and Organizational Officers, Standing Committee members and Sunday School Teachers as they were for the 2019-2020 year. Everyone will serve one more year. If you served on a committee and were suppose to rotate off, we pray that you will agree to remain on the committee one more year. If are serving as an officer, as a member of a committee or a Sunday School Teacher and you do not feel like you can carry on your responsibilities for the new year, please call the office and let Bethany know by August 9. Thank you for your faithful service to this church and to God.
