

One Thirst And Hunger

You say to us seek My face, Our hearts reply Your face we seek
Come teach us Lord reveal Your ways, Anoint us for the greater things

**We have gathered with one thirst and hunger
We're here to lift up glory and wonder
Here to cry out come and fill this place
(Come and fill this place)**

One single wish one sole desire, To gaze upon Your beauty God
We will not rest, nor will we cease, Till with our eyes your face we see

**We wait for You to come and show Your glory here today
We wait for You to come and show Your glory here today
We wait for You we wait for You
My soul waits for You I wait for You**

(And) hallelujah come yes hallelujah come
Oh hallelujah come hallelujah come

Worthy Of It All

All the saints and angels, They bow before Your throne
All the elders cast their crowns before the Lamb of God and sing

You are worthy of it all, You are worthy of it all
For from You are all things, and to You are all things
You deserve the glory

Day and night night and day let incense arise
Day and night night and day let incense arise
Day and night night and day let incense arise
Day and night night and day let incense arise

Came to My Rescue

Falling on my knees in worship, Giving all I am to seek Your face
Lord all I am is Yours

My whole life I place in Your hands, God of mercy humbled I bow down
In Your presence at Your throne

I called You answered and You came to my rescue
And I I wanna be where You are

In my life be lifted high
In our world be lifted high
In our love be lifted high

Let Everything That Has Breath

Let ev'rything that, Ev'rything that
Ev'rything that has breath praise the Lord
Let ev'rything that, Ev'rything that
Ev'rything that has breath praise the Lord

Way Maker

(You are) Way Maker Miracle Worker Promise Keeper
Light in the darkness my God that is who You are

That is who You are, That is who You are
That is who You are, That is who You are

Even when I don't see it You're working, Even when I don't feel it You're working
You never stop You never stop working, You never stop You never stop working

Let it Rain

Let it rain, let it rain, open the floodgates of Heaven
Let it rain, let it rain, open the floodgates of Heaven

No Longer Slaves

You unravel me with a melody, You surround me with a song
Of deliverance from my enemies, Till all my fears are gone

I'm no longer a slave to fear, I am a child of God
I'm no longer a slave to fear, I am a child of God

From my Mother's womb You have chosen me
Love has called my name, I've been born again into Your family
Your blood flows through my veins

I am surrounded by the arms of the Father
I am surrounded, by songs of deliverance
We've been liberated from our bondage
We're the sons and the daughters, Let us sing our freedom

Oh-oh, oh-oh-oh
Oh-oh, oh-oh-oh
Oh-oh, oh-oh-oh

You split the sea so I could walk right through it
My fears were drowned in perfect love
You rescued me so I could stand and sing
I am a child of God
