His sire – JUMBO – needs no introduction. His dam GRAFHAM SOCIETY has been a prolific broodmare for the stud and BRIEF ENCOUNTER is a full brother to Andrew Nicholson's International Advanced Eventer HENRY TANKERVILLE whose many successes have amassed him over 300 points including winning the 2 star at Compeigne. A full sister JAVA has reached Grade A show jumping and been exported to America. The youngest sibling competing - JUST A JIFFY - has started eventing winning an Intro and gaining three 2nd places Pre Novice.

BRIEF ENCOUNTER competed lightly as a 4 year old qualifying for the Burghley Young Event Horse Final where he finished 7th and highest placed stallion. He ran Pre Novice & Novice last season and will be combine eventing with Tony Clarke and stud duties at Grafham for 2006.

This horse is a true athlete, powerful paces, and a huge jump are complemented by super limbs and feet and a temperament that is second to none.

So there you are... A harmonious, balanced horse, beautifully made, athletic, off the floor paces, huge jump and a trainable temperament. We think he ticks all the boxes-but don't take our word for it – see him at home

or out on the circuit this season, you won't be disappointed.

Terrific value for money at £450 plus VAT in this, his first full season at stud.

1. His paces are good enough for pure dressage
2. And his jump, powerful enough to appeal to the show jumping enthusiast
3. He is bold and fast across country
