Family Requests

Doug and Jamie Johnson – Jamie has been diagnosed with a form of non-hodgkins lymphoma. The oncologist said the particular type that she has is not only treatable but curable. She will undergo chemotherapy starting this coming Friday. Both Jamie and Doug have a rough few months ahead but with an encouraging outcome. Pray for strength and courage for Jamie and for the side effects she may endure. Pray also for Doug for strength, comfort, and peace as he walks by her side and encourages her thru the coming months.

Phil and Sandy Ridout – They are former members that moved back to Nebraska, their home state, to be near family. Phil broke his hip (did not fall) and is in severe pain. He is in the hospital and was to have surgery today to place a pin in his hip. He will be in the hospital for 3 days with limited time with family due to COVID restrictions. For those who would like to send a card, their address is 3410 27th Ave., Kearney, NE 68845. Pray that the surgery goes well, for a good recovery and rehab. Pray also for Sandy as this is difficult for her and she has health issues as well.

Bill Gilbert – He is much improved and seems to be getting stronger each day. Praise the Lord! Pray that he continues to get stronger and for fully regained health.

Don Moor – Pray that the physical therapy continues to improve his mobility and for full relief from pain.

Sherry Sivey – (Kris Melonis' sister) She is a hundred percent better than she was and doing really well. Praise the Lord!

Glenda Moss – Pray for Glenda as her body continues to recover from all the treatments and surgery endured during the long successful battle against cancer.

Pastor Brent, Pastor Robert, Pastor Daniel, Deacons – Continue to pray for our pastors, staff, deacons, and all leadership as they continue to seek God's direction for moving the church programs forward.

Andrew McGee – (Pastor Robert's father) He is doing well. Praise the Lord! Thank you everyone for the prayers!

Ted & Sheila Sulcer – Continue to pray for him as he is being treated for congestive heart failure.

Crystal Gunlock – (Randy & Glenda Moss' daughter) She is still in a holding pattern with the doctor. Pray that she will have more answers soon regarding any further treatment or change in medication.

Pastor Robert McGee – He currently has a painful dental issue. Pray for relief from pain and a speedy correction of the issue.

Rick & Crystal Harms – Continue to pray for healing for both of Rick's eyes and for healing of Crystal's shoulder and arm.

Ron Steadman – He has one remaining physical therapy session and will be finished. He has no restrictions now other than some lifting restrictions. Praise the Lord!

Bella Vista Baptist Church - We had a good crowd in all three services last week. Continue to pray for the ushers as they adjust to the attendance each week. Pray for all the volunteers working in various places, and the men helping in the East Parking Lot Drive-In Service. Continue to pray the pastors and staff as they share Jesus in various ways this week. Pray for those that attend the services, that they join in singing hymns and songs of praise. Pray that hearts would be open and receptive to the prompting of the Holy Spirit as God's Word is opened and preached.
