MID - WEEK

HEALTH AND SAFETY PLAN FOR IN-PERSON GATHERINGS

With the desire to worship together in-person again (under 50), the leadership council is looking for willing participants to help create policies and procedures that would enable us to safely do so according to the health authorities. This would include various parameters we see in any store or business (i.e. physical distancing, hand sanitizing, masks), but would also include details around how we would handle singing, communion, children, service length, etc.

Do you have a working knowledge of the health and safety standards regarding COVID-19? Are you someone who can work on detailed instructions and logistics? If you are interested to help in this way, please contact Pastor Phil at philmitt@bethelinvancover.com.

KIDS SUMMER BASH

On Saturday, September 5 from 3 PM - 5 PM, we will be meeting at Grey's Park for some social distancing games for you and your children. We ask that you bring your own meals and snacks to enjoy with your children. Please bring masks if possible. To RSVP please contact Alesia Cuadra at alesia.cuadra@gmail.com

GROUPS

Joining a group is a great step to building meaningful relationships, growing spiritually, and serving others. In community, we discover together what it means to live out our faith practically: loving God, one another, and all people. Click [here](#) to find a group.

COMMUNITY GARDEN

The vision of a community garden is being revived! If you are interested in gardening and getting to know the neighbours surrounding the church building, contact Alba Zhou at alba.zhou@gmail.com. The idea is to re-plant and tend the garden so that we could invite the community for a meal from its harvest before the fall.

WAYS TO GIVE

With not having our Sunday gatherings at our facility, we are encouraging people to give tithes and offering in 3 different ways:

1. Via our [Website](#) through online giving.

2. Text to give by texting GIVE2BETHEL to 1-888-364-4483.

3. E- Transfer: We are now able to receive tithes and offerings to the church through e-transfer. The benefit of this option is that you can give from your debit account directly to the church without any processing fees. To do this, choose the e-transfer option from your online banking account and send funds to "donate@bethelinvancover.com". If you would like specify designated offerings (i.e. Tithe, Missions, Good Samaritan fund), please indicate this in the "memo" or send a separate email to the same address. Currently the church is not able to set up "auto deposit" with our account, therefore you will need to create a simple security question and answer.

If you wish, you may email this information separately to our treasurer, Usi Vuma

4. By mailing a cheque to our church office:
739 E. 33rd Avenue
Vancouver, BC
V5V 3A1

Thank you for your continued faithfulness and worship to God through your giving.
