

## God Heals Naaman

(2 Kings 5:1-19)

**"A final word: Be strong in the Lord and in his mighty power."**

(Ephesians 6:10)

## Wait and see...God is powerful

*If God is so powerful, why aren't all sick people healed?*

A day of wholeness and healing is coming...wait and see.

*If God is so powerful, why isn't there justice for everyone yet?*

A time for justice to rain down will come...wait and see.

*If God is so powerful, why aren't sad people joyful?*

A day will come when sadness has passed...wait and see.

*If God is so powerful, why aren't broken friendships fixed?*

A day when all that's broken and bitter will be healed is coming...wait and see.

Until then, we can do what Jesus says is most important: love God and love others. And we can trust God's perfect timing. Because God is great *and* good. And God always makes things right.

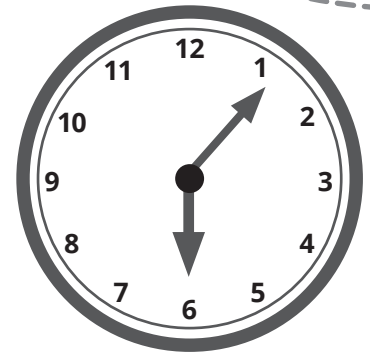

Wait and see.

2 Fold in the top corners to the center to make flaps.

3 Flip over, then fold in one side about an inch from the center.

4 Unfold, then fold the other side about an inch from the center.

5 Flip over again, hold on to the center fold, and let 'er sail!
