Dear HHFBC Family

As your pastors we want to let you know how much we love each one of you. Every member is important, and all are needed for the health and ministry of the HHFBC. The past over a year has been a challenging time and we have been encouraged to see how our members have sought to encourage and serve one another during this unusual time. Though the last year has proven to be challenging, God has remained incredibly gracious to us as a church. We believe the Lord has used this time in the life our Church to help us evaluate and consider how we can best accomplish what the Lord has called to do as His church. We are excited to share with you the vision for the future in the coming weeks.

In all things, whatever we do, our desire is to glorify the Lord (1 Corinthians 10:31), whether through submitting to governing authorities, displaying peace and confidence in the midst of deadly diseases, or making peace between those of different convictions. In all this, we want to thank you, brothers and sisters in Christ, for laboring alongside us, bearing these burdens with us, and especially for praying for us.

As the health orders in Ohio were lifted on June 2, 2021, we are praying that all of our members will be able to reconnect with our church family, and we look forward to seeing more of our members being able to gather together.

We are looking forward to June 6, our first gathering without a health order in effect, we are excited and encouraged, thinking of the entire body gathering and worshipping the Lord together again. We understand there may be some who desire additional precautions, and as such, we will keep the small mask section available in the sanctuary until it is no longer needed or until space will not allow. However, we will still have additional rooms available for those who choose to wear masks and desire additional space.

Church, we want to exhort every member to come and gather on June 6. We are asking for our members to contact those in the body who have not been able to gather on campus and encourage them to gather with us if they are able. The regular gathering of the Church is God's design for all of His people and is necessary and critical in the spiritual health of the members and ministry of the Church. We are excited to see what the Lord has in store for His Church and are looking forward to seeing the entire body being able to gather together.

Elders of Huber Heights First Baptist Church
