It's been an exciting month full of new initiatives, steps of faith, really fun conversations, and a whole lot of Jesus! All of which we are so grateful for God's kindness and the Spirit's presence!

Every year we have the bittersweet reality of launching beloved students from campus into the lifelong adventure of following Christ. **Caleb, Amanda, and Jess** (pictured right) are those students. Three seniors faithfully leading our Lock Haven movement, all preparing to graduate, and hungry to pursue the passions God has laid on their hearts.

We took the opportunity to sit down with the three of them to consider well how to live purposefully for Jesus for the rest of their lives. We discussed "winning at home, winning at church, and winning at work", equipping them with practical and biblical insight for the future.

As they take steps of faith into their careers, please pray for Caleb as he considers interning with Cru, for Jess as she pursues Teach for America, and Amanda as she navigates various options within her field of study.

In addition to equipping seniors, we also have the opportunity to engage new students. One student in particular Tobin has had the opportunity to really connect with is Brandon.

God has been intentionally pursuing **Brandon** (pictured left) through so many different people for years now. He got connected to Cru and eagerly expressed interest in learning more about God. Tobin began meeting with him this semester to answer his questions, teach him the Bible, and help him understand salvation in Jesus through grace alone.

Just before break, Brandon and Tobin sat down after Cru to talk honestly about choosing to believe in Jesus by faith. It was in that conversation Brandon boldly and authentically **prayed to accept Christ as his savior!** Finally seeing through his broken condition to the redemptive hope found in the completed work of Christ.

By His Grace, for His Glory.

**Thank you.** Your faithful, generous, consistent partnership enables us to love and serve students and faculty. Thank you for choosing to answer the prompting of the Spirit to join alongside God in the work that he is doing to reach lost students and faculty and see them become Christ centered followers through our work as missionaries. We are grateful for each and every one of you!
