

APPLICATION FOR THE SOSNOWSKI SCHOLARSHIP

Name of Applicant _____

Address _____

Parent or Guardian Name(s) _____

Current School _____

School you will be attending this fall _____

School Year _____

The Sosnowski Scholarship Committee is pleased that you are applying for this scholarship. Please know that we welcome your application throughout your college years. When this scholarship was first established, the desire of the Sosnowski family was to assist students in achieving their college degree and is still the desire of the committee today.

Please provide a narrative with your application that addresses the following:

- Academic accomplishments
- Financial needs
- Educational plans
- **ACTIVE** involvement with St. John's Parish if in high school, OR with a local church or college Christian community if in college
- Special summer involvements you might want to share
- Any other additional pertinent information about yourself

If you are already in college, please be sure to share about your past year's college church involvement or involvement in a college Christian organization (eg. Cru, FCA). Our great desire is to see you grow in the knowledge and love of Christ and develop a deeper personal relationship with Him while pursuing your degree.

The committee is also aware that many of our young people use their summers and other vacation time to pursue various mission opportunities and we encourage you to tell us about those experiences and their impact on your Christian walk as well.

Please submit this application and narrative to the church office by JUNE 30.
