

We are so excited to be meeting back on campus this Sunday!  
Because capacity is limited, please be sure to go to the building you registered for. Even though you have a reservation, we are not actually able to guarantee a seat. We recommend you arrive early. We've never been in a situation like this before, so we're trying our best to navigate these uncharted waters!

**PARKING:** Everyone is being asked to park in the back lot.

**FAMILY CENTER INSTRUCTIONS:** Please enter through the courtyard into the main double doors of the Family Center. Please exit only through the doors facing Sunrise Blvd.
