Hoag's Community Benefit department and Faith Community Nurses have partnered with more than 50 faith-based organizations for over 25 years to provide health care services and flu vaccinations to the community. This year more than 15 faith-based organizations and churches in Orange County have opened their doors and will also welcome Hoag staff and their families ages 9 and older (limited locations) to register for a flu vaccine at one of several church locations this fall. Please contact the church directly for additional questions.
