

## May I Have Your Attention Please - Acts 2:1-13

1. What are some ways in the past that God has used to get your attention?
2. Why do we often forget the power that is in us through the Holy Spirit?
3. Some of the most abused doctrines surround the usage of gifts given by God. The Holy Spirit is often used as an excuse to abuse and or make up a gift. Why is it critical that we understand the spiritual gifts and their proper Biblical usage?
4. What about the use of tongues has made you uncomfortable or weirded you out?
5. The gift of tongues is one of the most misused and misunderstood gifts in all of the Bible. How have you seen this gift used or abused?
6. Do you have the gift of tongues (Heavenly Language, or Prayer Language) that you use when you pray? How has it encouraged you in your relationship with God? If you do not have this gift, have you ever prayed to receive it?
7. The second proper usage of tongues is to speak in a known language to evangelize. You cannot use this gift unless you open your mouth to share the Gospel. Pray for one another this week to open your mouth by the power of the Holy Spirit, to share the Gospel with those that God directs you to.
