

Ten Commandments Egg Hunt

Materials

- ☐ Commandment picture cards (following pages)
- ☐ Timer
- ☐ Plastic Easter eggs
- ☐ Optional: small wrapped candies
- ☐ Optional: poster putty

Instructions

Print and cut out one or more sets of commandment picture cards so each student has at least one card. Fold and put one card inside each plastic Easter egg (optional: add a candy to each egg). Hide all the eggs around the room.

Set the timer for a few minutes. Let the students search for the eggs and bring them back. Have students open their eggs. Call each student to the front in order of the commandments. Have students match their card with the same picture on the Flip Chart page then explain the commandment that is on their card.

For a larger class, prepare more than one set of eggs (sorted by colors for different teams). Students can work in teams to collect and put all the commandments in order. Review the commandments together.
