

## Easter Activity

### Supplies

- 3 cups
- Something to label cups
- Water
- Bleach
- Iodine

### Activity

1, First label your cups or containers, you could do this with a pen and paper as shown above.

2, Fill the Jesus cup halfway with water then add a little bit of bleach so you have about a 10% bleach and 90% water solution. Next fill the me cup halfway with water. Last fill the sin cup halfway with water and add 3-5 drops of iodine until your water is a dark brown color, same as the bleach try to get a 10% iodine and 90% water solution.

3, “For all have sinned and fall short of the glory of God,” - Roman 3:23

**Pour some of the sin solution into the me cup.** When we sin, we can't be God's friend because sin separates us from God.

4, “But God shows His love for us in that while we were still sinners, Christ died for us.” – Romans 5:8

**Pour the Jesus solution into the Me cup until the solution becomes clear.** Jesus died for our sins so that can become washed clean and become His friend!

5, “He committed no sin, and no deceit was found in His mouth” – 1 Peter 2:22

**Pour some of the Sin into the Jesus cup (it should become clear).** When Jesus came to earth to die for us, He lived a perfect life without sin.

6, “For God so loved the world, that He gave His only Son, that whoever believes in Him should not perish but have eternal life” – John 3:16

**Pour the Jesus Solution into the Sin cup until it becomes clear.** Jesus didn't just die for us, but for everyone in the whole world and their sin! He did this because He doesn't want us to be separated from Him, He wants to be our friend and this is what we get to celebrate on Easter!!
