

Dear Belize Mission Team Members,

Grace and peace to you from our Lord Jesus Christ!

Lenape Valley and Bold Hope have made the difficult decision to postpone all summer trips due to travel restrictions and complications due to the COVID-19 crisis. Postponing was a decision to keep both the trip participants and the people we serve safe during this time. Here at Lenape Valley we are disappointed about this turn of events, but are committed to continue our partnership with Bold Hope into the future.

YDT has made several important decisions in the light of this postponement.

1. We will aim for an international trip with Bold Hope for Summer 2021.
2. All monies that have been paid toward the 2020 trip can be banked toward that trip or any other Bold Hope trip during the next 5 years.
3. The \$150 deposit to Bold Hope was a non-refundable payment, but YDT is offering to refund that payment to any person who does not want to bank the money toward next year's trip.

If you have any questions concerning this change in summer plans please contact Anita Bell ([anitab@lenapevalleychurch.org](mailto:anitab@lenapevalleychurch.org)), Bob Daly ([lx360@verizon.net](mailto:lx360@verizon.net)) or Greg Malat ([gmalat@gmail.com](mailto:gmalat@gmail.com)). If you have questions for Bold Hope, feel free to contact Rachel ([rachel@boldhope.org](mailto:rachel@boldhope.org))

Know that Bold Hope continues to work with partners in the countries where they serve, to empower them to care for the people in the midst of this crisis. Feel free to continue supporting that work ([boldhope.org/donate](http://boldhope.org/donate)).

We look forward to serving together again soon.

With you in the Savior's service,

*Anita Bell, Bob Daly, Greg Malat*
