

## *Revival is:*

God touching minds and hearts  
in an arresting, devastating, exalting way,  
to draw them to himself through  
working from the inside out  
rather than from the outside in.

## *Revival is:*

God accelerating, intensifying, and  
extending the work of grace  
that goes on in every Christian's life.

## *Revival is:*

The holy spirit sensitizing souls to  
divine realities and so generating  
deep-level responses to god  
in the form of faith and repentance,  
praise and prayer, love and joy,  
works of benevolence and service  
and initiatives of outreach and sharing.
