He said to them,

“Go into all the world and preach the gospel to all creation.”

Matthew 16:15

Mount Zion is a body of believers who are faithful, faith-filled, and determined in their commitment to cross over bridges and spread the Good News of Jesus Christ! This month marks the 155th Anniversary Celebration of an established working church whose ministry services are far reaching and effective all over the world. Over the years and by way of many generations it has been necessary for the leadership and members to make adaptable changes in how we preach, teach, present, and deliver our services for the Kingdom of God. This process has benefited the growing church tremendously. However, the main thing has and continues to be the main thing. That is – the Word of God is the *unchanging* but *lifefchanging truth!* This is the foundation in which the history of Mount Zion is rooted.

Mount Zion is grateful to be a beacon of light and hope in today's world for today's times. The challenges, setbacks, and the loss of lives we have been dealing with since March of this year continue to test us greatly. In times like these, we are accustomed to finding solace within the physical presence of family and friends. But we remain masked and socially distanced for the sake of saving lives. By faith, we believe that ‘this too shall pass’.

As Mount Zion continues to seek and obey the Lord by ‘going into the world and preaching the gospel to all creation’, we are positioned to develop and implement greater innovations for our future that will (1) create a shift in how we improve the delivery of our life-changing works of ministry for all people, and (2) expose us to greater opportunities of building up the body of believers whom God can use anywhere in this world! We can currently see evidence of these things by way of the attendance and financial support of Mount Zion's virtual campus! All of us – in the pews and on our social media platforms have a responsibility to ourselves and the God to turn up our light of hope and faith in the world no matter what is going on or how things are. God has a great plan in place, and He intends to carry it out through His children. We serve an awesome God!

Diane and I are grateful to God for our Mount Zion family. We love and appreciate every one of you, and I am humbly blessed to be celebrating 29 years of service as your Pastor. We believe that God will continue to provide the people tools and innovative mindsets we need for the works of His church to profoundly impact lives and keep us crossing over bridges until the day of Jesus' return!

Happy Anniversary, Mount Zion! To God Be the Glory Forever!
