

[ This world is *hurting*.  
This world is *broken*.  
The need is **GREAT**. ]

But **GREATER** is He that is in us than He who is in the world.

There is nothing too hard for God. He is bigger than any pain or confusion someone may be going through.

We believe that God's Word is

**TRUE**

We believe that our past doesn't have to define who we are or **who we can become.**

We believe that in Christ, we have the choice to no longer live as victims, but as

**VICTORS**

Freedom is possible for every person — regardless of his or her story.

We choose to come together as vessels used by God to help people find freedom in Jesus Christ. **In Christ's freedom, all people are empowered to live life to its fullest.** We will introduce people to Christ's freedom by sharing the grace and love we have experienced through Him.

We know that we were created for more than mere existence.

**[ We were created to be advocates of truth and freedom. ]**

So we commit to journeying together to become

**more healed, more whole, more free each day.**

We commit to seeing mercy **MULTIPLIED** to a world of broken and hurting people.

**BECAUSE IT IS FOR FREEDOM THAT CHRIST SET US FREE.**
