Love. Serve. Multiply.

Sunday Connection Groups—9:00 - 10:15 am | Beginning January 5

For a unified focus on our new mission statement of Love. Serve. Multiply., all Sunday Connection Groups will be participating in the following study:

Multiply by Francis Chan

In Matthew 28:19, Jesus told his disciples, "Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you." This commission includes believers today. The task may seem large, but it doesn't have to be an intimidating mandate, rather a way of living that invites people into what God is doing in their lives.

This new Connection Group Study, *Multiply* will equip you to carry out Jesus's ministry: One plus one plus one. We were designed to do what Jesus did: make disciples who make disciples who make disciples... Until the world knows the truth of Jesus Christ.

Paperback books are available in the lobby for \$5. Visit multiplymovement.com for free audio and digital versions of each chapter.

I Corinthians

How do you establish a Kingdom Work in a society where there were few limits on almost any kind of behavior, business, or religious practice as long as it did not interfere with the Roman Peace? Explore with us how Paul did just that in ancient Corinth, and learn how to apply Paul's guidance to similar situations in today's "anything goes" society. Sixteen weeks, verse by verse. Study sheets provided.

Co-ed Group Led by Brian & Sherry Hunt | Room B304

Unanswered by Jeremiah Johnston

This study tackles tough issues that plague the minds of believers: Why does God often seem to remain silent? Why do we experience suffering and pain? and How should Christians respond to spiritual darkness? **Ends on February 19.**

Gods at War by Kyle Idleman

This study will help believers recognize there are false gods at war within each of us, and they battle for the place of glory and control in our lives. Idolatry isn't an issue, it is THE issue. **Begins March 4.**

Trustworthy: Overcoming Our Greatest Struggles to Trust God by Lysa TerKeurst

When hard times come and it seems God is deviating from the plan we assume our life should follow, we're more likely to want to tame God, not trust Him. It's then that we begin to press into our ways and our own timing. No human can carry the weight of being their own god, but so many of us try. In this 6-session study of 1 & 2 Kings, join Lysa TerKeurst in Israel as she honestly reveals the places of distrust in her own heart while exploring the deeply applicable Scriptures that will teach us how to truly trust God.
