

Read the Bible in a Year

It takes around 71 hours to read the Bible. That's less than 15 minutes a day.
40 of the 66 books can be read in less than an hour.

Use this plan as a guide to keep you on track.

Tips:

Put it on your schedule. Set aside 15 minutes at the same time every day.

If you find it difficult to read it, find an audio version to listen to (great for the commute to work). The Bible.is app is a good one.

Read one Psalm a day, or if you are musical, try chanting it. Most Psalms can be found in the hymnal.
