

VIDEO DIRECTOR

McCausland Site

POSITION DESCRIPTION

The Video Director is responsible for leading the video team as well as switching the service. This person will direct all of the camera operators, switch both services with the team and be the point person for the entire team.

TIME REQUIREMENTS

Video Directors serving in Worship Center are required to be on campus by 7am on Sunday to connect with all volunteers and will help with the technical side of worship as well as rehearse with the band for music run-through and cue-to-cue. Directors will stay for both worship services and will serve twice a month.

RESPONSIBILITIES

- Direct cameras during services
- Have basic knowledge of camera functions
- Operate the camera switcher in the control room
- Have basic knowledge of the camera switcher
- Start, monitor, and stop recording
- Lead team debrief after every service
- Provide constructive criticism to operators in an uplifting and positive way

QUALIFICATIONS

The Video Director must be able to lead a team in an uplifting way.

- Have a passion for Media/Technical Arts and serving in the church
- Have strong clear communication skills and be able to lead a team
- Be confident in his/her direction, calls, and vision
- Be able to focus, lead, and operate for extended periods of time
- Be hard-working, but know how to have a good time; must have a sense of humor
- Be eager to learn and grow as a director
- Be flexible as processes and services change on the fly sometimes
- Have a heart to see others grow in their skills as well as walk with Christ

TEAM STRUCTURE

There will be 3-5 Video Director Positions Open. Staff liaison is Jeff Allen.
