

On Wednesday, April 7, 13 of the XYZ Steering Committee met and after much discussion, a motion was made to discontinue XYZ as we know it. Many of us decided our group is getting smaller in size, older in age, and have more health and body issues. However, that doesn't mean we don't want a ministry for the seniors. Instead of being called XYZ, for now, we will call ourselves the **1st Baptist Seniors**.

We had many suggestions of things we would like to do. A committee of 5 volunteered to serve on a committee to plan what next. The committee then met and we decided we would meet on the 2nd Thursday of the month at 1:00pm. There will be no programs. We are coming together to have some enjoyment, fun, and fellowship. Our first meeting will be May 13 at 1:00pm. That afternoon we will be providing coffee and cookies only. There will be games - board games, card games, or if you like, just sitting and visiting. This is the time to meet for Fun, Friends, and Fellowship.

So, if you are 55 years or older, please come and join us Thursday, May 13 at 1:00pm at First Baptist Church.
