

IMPORTANT AWANA INFORMATION

Daryl & Carrie Heizelman made a decision, with the help of all of the club directors, regarding the end of the AWANA year awards and finishing the books.

- You have until May 20th to work with your children on their books and finish them up if your goal is to complete the year with a finished book and the award.
- Parent must contact their Director by May 20th with their child's information regarding how far they have gotten in their books or if they finished the book.
- Sometime this summer after May 20th when we are in the habit of going out and being at church again, we will host an AWANA Awards Open House where you can stop by the church with your children and pick up their award or participation ribbon. Please keep an eye out for that announcement.
- If your child was unable to finish their book by May 20th, you may work on it throughout the summer and receive the award for it at the Spring 2021 Award Ceremony. This will enable your child to be ready for the new book this fall.
- Contact the church office for your leader's contact information.
