- Share your goals with at least one person and invite this person to ask you about your progress through the year.
- Remember, it can take close to one month to establish a fresh habit. Be patient but persistent and keep moving forward.

Prayer Goals – Think about the practices of prayer that have worked well in your life. Are you still engaging them? Invite the Lord to show you some new steps you can do to increase your experience and joy in prayer in 2020.
