Meeting in the Downstairs Lounge

Have you been stuck in a spiritual rut? Does your daily walk with God feel more like a crawl than the exciting, energetic, and joyful relationship that it initially was? So often we allow the so called acceptable sins to creep into our life and we willfully build a brick wall between us and God. In this study we will walk through 7 categories of sins that drag down many Christians. We will learn to lean on and encourage each other so we can experience the fullness of our relationship with Christ. God has not left your side nor has He forsaken you, we have turned our backs on Him. Let us come together and seek repentance and enjoy that oneness once again. Everyone will be encouraged to keep a prayer journal through this journey. Even if you have vacations planned, please attend the weeks that you can.

Colossians- led by Pastor Barry with co-leader Aaron Klingbeil

Meeting in the gym

Just as a child needs proper instruction, so Paul's audience needed to be set on the proper path with correct teaching. Paul refutes false doctrines by pointing to Christ. Many today view Jesus as no more than "a great teacher." Paul's patient correction should remind us that we too need to keep the worship of Jesus Christ central in our lives and churches.
