

> Uganda Team Update

Our Uganda team is back safe and sound! The team worked together to visit patients with HIV (in their homes) for encouragement and prayer, prayed over patients at the Nutrition Clinic, observed and prayed over patients at the Medical Clinic, provided a VBS for HIV patients filled with skits, crafts and testimonies. Jennifer (with help from Garry) prepared a Leadership Conference that empowered the medical professionals and equipped them to serve with excellence. Beverly (our team artist) shared her gifts by painting a six-foot mural at the Pediatric Clinic. What was once a dreary and dark place is now filled with life and hope. We preached, encouraged, prayed & served. The Lord blessed us with a unified team and we all fell in love with Africa. Thank you Parkway Missions for your prayers and donations. The Lord used every bit of them for His glory. And Maegan & Emma (and their kids) were thrilled with everything.

> Visit from Pastors Rene & Zoily Melendez

Thank you to those who came out to support Pastors Rene & Zoily Melendez on July 21st. We were blessed to hear how the 16 churches in El Salvador are growing through Rene's leadership, mentoring and investment. We also rejoiced to hear the FRUIT from our prior mission teams...due to our team's home visits and food bag gifts, many are now regular attendees at church! A high-profile gang member has even been faithfully attending one of our El Salvadorian churches as a direct result of his wife and family receiving the gift of food, prayer & love from a Parkway team. Parkway Missions, you are making a difference! Hallelujah! To God be the glory!

B2SB is almost here and we need LOTS of volunteers from Parkway Missions. Thank you for your generous donations! Beginning Monday, August 5th, all donations need to be dropped off at the Rescue Mission.

Would you be willing to shop for shoes (you will be reimbursed, of course)? Would you be available to help on Saturday, August 10th with shoe distribution, foot washing & prayer, shoe runner, water runner, shoe sizing, welcome team from 9:15 am - 1:00 pm? If clean up is your thing, would you be willing to report to the Café around 12:30 pm to help us clean, pack up, etc. and also lend a hand on the main floor? Lots of places to serve and many hands are needed. To sign up, email swillard@parkwayroanoke.com or visit signupgenius.com/go/20f0548afab2ea0f85-back2.

> Have you wanted to GO on a mission trip?

Is God nudging you to take a leap of faith and GO? Preparations are underway for trips both domestic & international. Email swillard@parkwayroanoke.com for more info.
