DAILY JOURNEY

WEEK 1 | DAY 4

Philippians 2:3-5

³ *Don't be selfish; don't try to impress others. Be humble, thinking of others as better than yourselves.* ⁴ *Don't look out only for your own interests, but take an interest in others, too.*

⁵ *You must have the same attitude that Christ Jesus had.*

Fighting for our relationships requires humility. We can't control other people—their motives, actions, words—we can only control our own decisions.

Maybe you've found yourself saying something like,
"When she does _____, then I'll _____."

It's time to stop waiting for others to apologize, forgive, or make the first move. Someone has to go first in being humble. It might as well be you.

APPLICATION:

How can you take a step towards humility and/or forgiveness in your marriage? If you are single, is there another relationship where you need to take this step?

PRAYER:

God, I want to have the same attitude as Jesus. I want to model humility in my relationships, especially in my marriage...
