

HELPING PEOPLE FIND AND FOLLOW GOD

During this difficult time there is a lot of good happening in our community and many of you have been a huge part of that "good". Help us celebrate those who (maybe even you) are improving lives (#ImprovingLives) whenever and wherever they can. We could all use some positivity and encouragement! Here are a few simple steps to gather these moments:

Step 1: *Catch yourself or someone you know in the act! Make a sign with the hashtag **#ImprovingLives** and get ready to take a photo, selfie or ask someone else to snap a quick picture.*

Step 2: *Send your **#ImprovingLives** photo that shows how you/your friend/your organization is actively improving lives in spite of COVID to marketing@uwhancock.org with **your name, what you're doing to help improve lives and how it was made possible by the United Way** (if applicable).*

Step 3: *Keep an eye out on the United Way of Hancock County Facebook page for your personal shoutout as part of our **#ImprovingLives** movement!*
