

Dear Parents,

Welcome to Evangel Academy, Jackson County's only Classical and Christian school.

Evangel Academy is committed to the time-tested classical model of education, which produces students who love to learn, who think clearly, write persuasively, and speak precisely. A distinctly Christian worldview is integrated into our entire student experience, which includes academics, arts, and service. Our aim is to produce students who have a deep understanding of their world; the ability to discern truth, beauty, and goodness; and the ability to think, learn, and influence the world for the glory of God.

We appreciate your consideration of Evangel Academy as a place to educate your child(ren). Recognizing that, during a normal week, children spend approximately thirty hours or more at school, we want you to know that we do not take this responsibility lightly. We are committed to guiding the hearts of our students and teaching with excellence. Our teachers love the Lord, love their students, and are passionate about what they teach.

We encourage you to contact our office to learn more about the mission and vision of Evangel Academy. You can reach us at 850-526-2232 or via email at evangelacademy@evangelonline.net. We look forward to partnering with you in the training and education of your child(ren).

Sincerely,

LaVon Pettis, Pastor
