

ARIZONA EDUCATORS UNITED

@AZEDUNITED #REDFORED

“We the educators of Arizona want to be treated with respect and to ensure we provide quality public education in our community. To achieve this goal, Arizona legislators and Governor Ducey must meet our collective demands. AEU and AEA have formally asked the Governor to meet with our representatives to negotiate these demands. With the support of our community, we will continue to hold elected officials accountable so our students receive the education they deserve.”

#REDFORED DEMANDS

1. **20% salary increase** for teachers to create competitive pay with neighboring states;
2. **Competitive pay** for all education support professionals;
3. **Permanent teacher salary structure** which includes annual raises;
4. Restore education **funding to 2008 levels**;
5. and **No new tax cuts** until per-student funding reaches the national average.

#REDFORED NEXT STEPS

Today’s walk in demonstrates our solidarity. It is a powerful and positive action for our schools, our students and ourselves. We need to be counted as part of this statewide action. Our AEU and AEA leaders are assessing the strength of this movement with an instant count of participation at each walk in around the state.
