

THE GATE COVID PROCEDURES

Persons who are ill, at higher health risk, or have symptoms (e.g., frequent cough, fever, difficulty breathing, chills, muscle pain, sore throat, recent loss of taste or smell, or live with someone who has COVID-19) should continue to worship at home by livestream.

Use hand sanitizer upon entry.

Wear face mask at all times.

Observe social distancing. We will have an outdoor worship area for those who would prefer not to be indoors.

In lieu of a printed bulletin, bring your own sermon notes or use the Gate app.

In lieu of a passed collection plate, use the Gate app or the offering boxes for giving.

Bring own coffee or drinks in covered containers, as there will be no coffee or food service.

Direct questions to ushers.
