

Suggestions for Application of Sermon, April 4, 2021
Love...Finally, Fully, Forever
John 20

To help continue your personal celebration of Easter, here are two suggestions for application of the sermon from John 20

- First, looking inwardly, reflect on The Point, “I’m alive because Jesus is alive!”
 - In what ways is that true of you?
 - In what ways is that not true of you?
 - In what ways does that personalize Jesus’ words to Thomas, “Stop doubting and believe”?

- Second, looking outwardly, take action regarding The Point, “I’m alive because Jesus is alive!”
 - Prayerfully discern a person you know who needs to “Stop doubting and believe.”
 - Ask God for an opportunity to share with them the meaning of Easter. Start with the statement, “I’m alive because Jesus is alive!”
 - Take the initiative to contact them, on the basis of your praying for God to provide an opening, and share with them the meaning of Easter, “I’m alive because Jesus is alive.”
