

Application Suggestions
Rediscovering Church
September 20, 2020

Reflect on the establishment of the Philippian church in Acts 16. Make application to your life by considering:

- In what ways is my life “Spirit-Led”?
- In what ways is my life “Gospel-Driven”?
- In what ways is my life “Worship-Filled”?
 - What steps do you sense God is calling you to take to more fully embrace and experience each of these “Three Keys to Being and Doing Church” in your life?
 - Take one step each day this week.

In what areas of your life are you currently experiencing difficulty? In each one, ask:

- God, how can I “endure” this “hardship” as “discipline”? (See Hebrews 12:1-12)
- God, how can I let this difficulty prompt praise and proclamation? (See Acts 16:25, 29-32)
 - Write a one-sentence prayer that expresses God’s answer to each question for each difficulty.
 - Incorporate these “one-sentence prayers” into your daily prayers this week.

Read Philippians 1:3-11.

- Receive these words as Paul’s “Thanksgiving and Prayer” for YOU!
- In response, consider:
 - What does this Thanksgiving and Prayer prompt me to THINK?
 - What does this Thanksgiving and Prayer prompt me to FEEL?
 - What does this Thanksgiving and Prayer prompt me to SAY?
 - What does this Thanksgiving and Prayer prompt me to DO?
