

Sermon Application Questions

1. John says in 1 John 2:15b “If anyone loves the world, the love of the Father is not in him.” In the sermon we discussed that the loves of the world are self-centric, but the central expression of God’s love was in that Christ gave His life for us. Can you think of an opportunity in your community to give self-sacrificially?
2. In 1 John 16 John directly warns the Church about being on guard against the desires of the flesh, the desires of the eyes, and the pride of life. One of the best ways to guard ourselves is through establishing accountability with brothers and sisters in Christ. Ask the Lord to provide an accountability relationship with a brother or sister in your Community Group.
