A CALL TO WORSHIP

Resurrection Sunday

By: Reverend Chelsea Yarborough

Leader: We gather! We are a community of faith who know that the glory of God, as witnessed through the Resurrection, is not bound by space or limited to any time.

People: We gather! In separate spaces but centered on one story. We are a people of Resurrection, celebrating the gift of a risen Savior!

Leader: We celebrate! Acknowledging the difficulty of separation and uncertainty. But believing in the unfolding of new connections, new hopes, and new possibilities.

People: We celebrate! Knowing the pain of a hard Friday, experiencing the grief of an uncertain Saturday but believing in the joy of a Resurrection morning!

Leader: Hallelujah! This is the day that the Lord has made. Let us lean into our joy and celebrate with gladness. We receive the gift of the Resurrection.

People: Hallelujah! Jesus has Risen. He has overcome death, that we might know that death does not have the final word. We live into the truth of the Resurrection.

Leader: Today we gather! Today we celebrate! We live into hope, even beyond what we can see. We will be healing where brokenness has seemed to prevail and love where hate seems to remain. Jesus is Risen!

ALL: Wherever we are, we are still together. We participate in the joy, peace, hope, and justice, and relationship that Jesus reminds us is ours. We choose to live into the call of our resurrected Savior, even when it is hard to do. We declare, “Jesus is Risen”, Hallelujah!

Benediction

"Because He Lives"

God sent his son
They called him Jesus
He came to love, heal and forgive
He bled and died
To buy my pardon
An empty grave is there to prove my Savior
lives

Because he lives
I can face tomorrow
Because he lives
All fear is gone
Because I know he holds the future
My life is worth the living just because he
lives

How sweet to hold
A new born baby
And feel the pride
And joy he gives
But better still
The calm assurance
That child can face uncertain days because he
lives

Because he lives
I can face tomorrow
Because he lives
All fear is gone
Because I know he holds the future
My life is worth the living just because he
lives

And then one day
I'll cross the river
I'll fight life's final war with pain
And then as death
Gives way to victory
I'll see the lights of glory and I'll know he
lives

Because he lives
I can face tomorrow
Because he lives
All fear is gone
Because I know he holds the future
My life is worth the living just because he
lives

I can face tomorrow
Because he lives
All fear is gone
Because I know he holds the future
My life is worth the living
just because he lives
