CTK Skagit Kids

Our kids program is growing! Last month we hit 99 kids in one Sunday alone! We are so proud of our Kids Team and the love and dedication they pour out every weekend.

In accommodation for our growing numbers expect the following:

- 2nd-5th Grade Classroom will split into 2 separate classes!
 - 2nd-3rd Grade Classroom & 4th-5th Grade Classroom
- **We need 6 volunteers!**
 - 4 for the 4th-5th Grade Classroom
 - 2 for the Toddlers Room.

Christmas Choir Postponed until 2022

Unfortunately due to unforeseen circumstances we are postponing CTK Skagit Community Choir until next year. We look forward to 2022 and having our choir back!

Volunteer Highlight

Vincent Chiabai

Vincent has been serving faithfully for years at CTK Skagit. He started out helping out with Kids Worship at VBS and quickly became integral to our Sunday worship team and youth team. He not only serves playing keys and leading worship but does so much behind the scenes! From lighting design, to training students on keys, to helping with Sunday tech and livestream. We are so thankful for Vincent!

Vincent is moving this month to Oklahoma to join a local school district and serve and learn at Life.Church. We are so excited for his next season in life and will miss him greatly! THANK YOU!
