Discipleship

We have had the honor and privilege of having CTK Skagit Board Member and Impact Multiplied Leader and Founder Pastor Timothy Moore bring The Word on Sundays.

We have been challenged and inspired to take on the Great Commission and Great Commandment with new intentionality. We believe every Christian at CTK Skagit could and should be making, multiplying, and deploying disciples. While this can look and be enacted many different ways, the core truths remains the same: discipleship happens in community. This fall we are launching **Missional Impact Groups**.

"Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit" (Matthew 28:19)

Kingdom Impact Night at the Impact Center will be a night of equipping and encouraging group leaders to understand what makes an Impact Group and how kingdom impact is unleashed through them. Christ our King gave us one missional mandate: make disciples (Matthew 28:18-20). Disciples are being made, deployed, and multiplying through these groups that are relational, missional, and transformational!
Come join the movement!

Marriage Advice: Vic & Mo

"Trust in your new identity in Christ, who God says you are, in your relationship with one another. Grace Changes Everything! Trust the "original good news", the gospel of grace, for it is the relational glue that holds a marriage together for His glory."

Last month we got to see 2 more added to our community and baptized!
